SPECIFICATIONS

CITYWIDE JANITORIAL SUPPLIES

All questions or discrepancies regarding the bidding process or the bid documents must be submitted in writing to Corey Sidlo, Purchasing Analyst, at csidlo@coj.net by the date and time specified on the Bid Form.

When submitting a bid, please be sure to write the bid name and number and your company's name, address, and phone number on the **outermost** sealed envelope or package.

Pricing must be based on the Description, the Unit of Measure, and the Estimated Quantity on the Bid Proposal Form. Example: If the Description calls for four (4) 1-gallon bottles per case, the Unit of Measure is "Case", and the Estimated Quantity is 10 then the Unit Price would be the cost for one (1) case of four (4) 1-gallon bottles and the Extended Price would be the cost for ten (10) cases.

For bidding purposes, if the supplier's packaging does not coincide with the packaging and/or quantity on the Bid Proposal Form, the supplier should determine the cost of his/her product as if it was packaged per the solicitation. **Bidders shall not markup or alter the Bid Proposal Form in any way.** Doing so will be grounds for rejection of the bid.

All items furnished shall be completely new, unopened, and free from defects. **All orders must be received within five (5) business days after receipt of a Purchase Order.** No backorders shall extend beyond ten (10) business days. Products may be shipped or hand delivered. In the event the supplier fails to deliver within these guidelines, the City reserves the right to make necessary purchases outside of this contract. Continuous failure to deliver product as specified above will be considered justification to rescind the contract and award to the next lowest responsive, responsible bidder.

Deliveries shall be made F.O.B. Destination to the location listed on the Purchase Order, which can be anywhere throughout Duval County.

All products shall be delivered in the ordering unit of measure (case, box, each, etc.) per the Purchase Order or the product will be returned. Pick-up and returns shall be made within 48 hours of notification and at no cost to the City.

Note: For products delivered under *Group 3 – Cleaning Supplies*, the supplier must be able to provide Material Safety Data Sheets (MSDS) immediately upon request from the City.

The product descriptions on the Bid Proposal Form are generic item descriptions. All items furnished shall be standard commercial grade quality for the janitorial industry. During the bidding process and at any time during the contract period, the City reserves the right to request samples of any item to determine acceptability. The City reserves the right to make the final determination with regards to acceptability. **Unless requested by the City, samples will not be required.** Samples requested by the City shall become the property of the City at no cost to the City.

At any time during the contract period, the City may request pricing for specific brands/item numbers. When specific brands/item numbers are ordered, the supplier shall provide the specific brands/item numbers. **If the supplier cannot provide the specific brands/item numbers due to availability, the supplier shall notify the contact person listed on the Purchase Order prior to shipping substitute items.**

The City reserves the right to refuse acceptance of any item ordered if it feels said item does not meet its expectations. In such a case, the supplier shall provide an alternative brand/item number. If the City and the supplier fail to agree on the acceptability of a brand/item number, the City reserves the right to make the purchase of said item outside of this contract and at no penalty (cost) to the City.

In addition to the invoicing requirements listed in the Terms and Conditions of this solicitation, invoices shall also contain the brand/item number for all items delivered. Invoice pricing shall not exceed the price offered on the Bid Proposal Form, aside from approved increases, or the price originally offered upon request for specific brands/item numbers, aside from approved increases.
