A. Terms of Your Order

1. Applicable Agreement:

a. Oracle Federal Agreement for Oracle Cloud Services US-CSA-CPQ-684547 effective 28-MAR-2018

2. Cloud Payment Terms:

a. Net 30 days from invoice date

3. Cloud Payment Frequency:

a. Monthly in Arrears

4. Currency:

a. US Dollars

5. Offer Valid through:

a. 21-MAR-2024

6. Service Specifications

a. The Service Specifications applicable to the Cloud Services and the Consulting/Professional Services ordered may be accessed at http://www.oracle.com/contracts.

7. Services Period

a. The Services Period for the Services commences on the date stated in this order. If no date is specified, then the "Cloud Services Start Date" for each Service will be the date that you are issued access that enables you to activate your Services, and the "Consulting/Professional Services Start Date" is the date that Oracle begins performing such services.

B. Additional Order Terms

1. Delayed Services Period

Initiation of provisioning for Cloud Services You have ordered under this order shall occur as detailed in the table(s) above and, subject to payment of fees for the Cloud Services, the Services Period for these Cloud Services shall continue for the period specified in the Cloud Services table above, unless earlier terminated in accordance with the Agreement. Upon the date set forth in the previous sentence, Your first payment for Cloud Services will be due in accordance with Section A. At Your discretion You may request that the initiation of provisioning (and therefore the applicable Services Period) commence prior to the date set forth above.

2. Data Center Region Availability

Platform and Data Center Region availability information for Oracle Platform as a Service (PaaS) Cloud Services and for Oracle Infrastructure as a Service (IaaS) Cloud Services is provided on the Oracle Cloud Portal at https://cloud.oracle.com/data-regions.

3. Non-Appropriation

In the event funds are not appropriated for a new fiscal year period, You may terminate this order immediately without penalty or expense; provided, however, that: (a) for each of the 12-month terms of the order, You must provide a purchase order, and (b) Your issuance of each 12-month purchase order shall signify to Oracle that all funds for the given 12-month term have been fully appropriated and encumbered. Notwithstanding the foregoing, You agree to pay for all Services performed by Oracle prior to Oracle's receipt of Your notice of non-appropriation.

4. Customer Selected Data Center Region

A Data Center Region refers to the geographic region in which the applicable Services environment is physically located. The Oracle PaaS and IaaS Universal Credit Cloud Services will be provisioned in the Data Center Region You select in the Oracle Cloud Portal for such Services and will remain in such region until the applicable Service are terminated.

5. Funded Allocation Model Additional Terms

As described in the Oracle PaaS and IaaS Universal Credits Service Descriptions, available at http://www.oracle.com/contracts, the following terms apply to your Oracle PaaS and IaaS Universal Credits. Under the "Funded Allocation Model", Oracle allows You the flexibility to fund an annual amount to Oracle as specified in the "Funded Allocation Value" in Your order, which is to be applied towards the future usage of eligible Oracle IaaS and PaaS Cloud Services specified in the rate card attached to Your order or as seen in the Cloud Portal provided such Cloud Services are available in production release when ordered, at the fees specified in the rate card. The total Funded Allocation Value of Your order is reflected in the "Funded Allocation Value" column and the applicable Services Period for that value will be as specified in Your order. Oracle will invoice You monthly in arrears based on Your actual usage for the prior month at the rates for each activated Oracle IaaS and PaaS Cloud Service as defined in Your order.

Overage

You are responsible for monitoring Your use of the Cloud Services, and if You exceed the Funded Allocation Value at the end of any month during the Services Period, You must provide additional funding for Your usage, or You must cease to use the applicable Cloud Services. If You have exceeded the Funded Allocation Value and You have not ended Your use of the Services, You will be subject to overage fees. Oracle will invoice You for the excess usage of the Oracle IaaS and PaaS Cloud Services at the Overage Unit Net Price specified in the rate card of Your order or as seen in the Cloud Portal.

You may set quotas, alerts and use other monitoring tools within the Cloud Portal to assist You in managing and tracking Your usage.

Additional Services

If Oracle adds additional service offerings to the list of eligible Oracle IaaS and PaaS Cloud Services within Your Cloud Services Account during the Services Period, You may activate and use those service offerings and the discount will be applied based on the Cloud Service category discount specified in the rate card attached to Your order or as seen in the Cloud Portal. The development, release, and timing of any future features, functionality or service offerings remains at the sole discretion of Oracle Corporation.

Replenishment at End of Services Period

If You are continuing to use Services after the end of the Services Period specified in Your order and You have not extended the Services Period and increased the Funded Allocation Value for use of eligible Oracle IaaS and PaaS Cloud Services, You will be charged for the actual usage of all Cloud Services that You activate and/or have activated within Your Cloud Services Account based on Oracle's then current price list for such Services, which can be found at https://cloud.oracle.com/en_US/ucpricing. Upon extending the term of the Services Period and increasing the amount of the Funded Allocation Value through a new order (or modification of Your existing order), You will receive the Cloud Services category discounts specified in the rate card attached to Your new order (or modification of Your existing order) or as seen in the Cloud Portal.

Roving Edge Parts. Roving Edge Infrastructure parts are limited-availability parts. This order is not eligible for any Roving Edge Infrastructure products or services, even if a Roving Edge part number is specified in the Rate Card of this order or seen in the Cloud Portal.

6. No Auto-Renewal

Notwithstanding any statement to the contrary in the Service Specifications, the parties expressly agree that the Services acquired under this order will not Auto-Renew.

7. Renewal Conversion to Universal Credits Funded Allocation Model

a. You have previously acquired non-metered Cloud Services under Subscription IDs 7365283, 7365286, 7365277, 7365278, 7365279, 7365281, 7365280, 18924123, 7365285, 7365282 with CSI number 21732057 (the "**Previous Services**"); and You currently access and use Previous Services in Your existing "tenancy", as such term is defined in the Oracle PaaS and IaaS Universal Credits Service Descriptions, (the "**Existing Tenancy**").

b. Under this Cloud Services order for Oracle PaaS and IaaS Universal Credits under Funded Allocation Model (the "**UC FAM Cloud Services**"), instead of renewing the Previous Services, you are placing an order to convert Previous Services to the UC FAM Cloud Services.

c. Accordingly, You acknowledge and agree to the following terms and conditions:

1. The Cloud Services Start Date for UC FAM Cloud Services shall be five (5) business days prior to the last day of the Services Period for the Previous Services (the "**Previous Services End Date**").

2. Converting Previous Services to UC FAM Cloud Services requires Your strict adherence to the following steps specified in this order:

   (i) Execute and return this order to Oracle by March 21, 2024;

   (ii) Follow the instructions specified in the UC FAM Cloud Services "activation email" that your Cloud Services account administrator will receive from Oracle to create a new UCM FAM Cloud Services account (the *Create New Cloud Account* option in the activation email) and **not** to activate services into an existing Cloud Services account (the *Activate into Existing Cloud Account* option in the activation email);

   (iii) Activate/set up Your UC FAM Cloud Services account **within three (3) business days** of the Cloud Services Start Date of UC FAM Cloud Services; and

   (iv) Notify Oracle points of contact specified below, of the information requested in the table below within such three (3) business days.

3. **During the five (5) business days prior to Previous Services End Date,** You may not use any services under the UC FAM Cloud Services account; however, You may continue to use the Previous Services under the Previous Services account until the Previous Services End Date.

4. **After the Previous Services End Date:**

   (i) You shall access and use the Existing Tenancy under the UC FAM Cloud Services account;

   (ii) You may not initiate new service instances in any new tenancy created under the UC FAM Cloud Services account; instead, You may initiate new service instances in the Existing Tenancy under the UC FAM Cloud Services account;

   (iii) You may continue to use the Previous Services account to manage your users and groups, if applicable; and

   (iv) The part numbers specified in the rate card of this order or in the Cloud Portal shall apply to Cloud Services, which may be different from the part numbers for the corresponding Cloud Services specified in the Previous Services order (for example, for "Oracle Analytics Cloud - Enterprise" with "OCPU Per Hour" metric, B90285 applies in the Previous Services order and B89631 applies under this order).

5. Notwithstanding the foregoing, if the day after the Previous Services End Date is a Saturday, Sunday, or a U.S. holiday, the conversion from Previous Services to UC FAM Cloud Services shall occur on the next business day; and you will not be invoiced for any use of the Previous Services on such Saturday, Sunday, and/or U.S. holiday.

6. Failure to comply with the terms and conditions above (including all applicable timing requirements) may result in Your Previous Services expiring without completing the conversion to the UC FAM Cloud Services; and should such expiration occur, You understand the following:

(i) The conversion process described in this order will immediately terminate;

(ii) Continuing to access and use the Previous Services would require You to execute a new renewal order extending the Previous Services at Oracle's then-current list pricing for such Services (subject to any discounts Oracle may grant at the time of such renewal); and

(iii) Absent a new renewal order extending the Previous Services described in the preceding subsection (ii), any use of UC FAM Cloud Services shall be limited to initiating new service instances in the new tenancy created under the UC FAM Cloud Services account and not in the Existing Tenancy.

7. Oracle will have no liability to You arising out of or relating to Your non-compliance with the terms and conditions of this order, including but not limited to, liability that may arise from the expiration or interruption of the Previous Services described in paragraph 6 immediately above.

d. You must provide the following information to Oracle Points of Contact <u>within three (3) business days of Cloud Services Start Date of UC FAM Cloud Services</u>:
