A total of three (3) bids were received by the Procurement Division on October 12, 2022 for SC-0460-22 for Household Hazardous Waste Disposal services. After a thorough review of the submissions for the above mentioned bid, the Solid Waste Division recommends that the contract be awarded to the most competitively priced, qualified vendor – Perma-Fix of Florida, Inc. The amount of the award will be in an amount not to exceed $130,000.00 under a master blanket purchase order.

The not exceed amount of $130,000.00 is based upon the estimated expenditure for the fiscal year. Since we do not know the exact quantities and types of materials that will be received at the Facility during the year, an estimate based upon the bid pricing cannot be determined, however, we have historical costs and the $130,000 is in line with the amount we have been spending due to the increased popularity of the remote collection events. The $130,000.00 is a conglomerate of the items and prices in the bid. The initial term of the contract is from date of execution of the contract through September 30, 2023 with ~~three (3)~~ four (4) one (1) year renewal options.

Please notify the Solid Waste Division when this item will be placed on the Awards Committee agenda so a member of the Solid Waste Division can attend.

If you require additional information, please contact Jeff Foster at 255-6841 or Nickii Brookins at 255-7504.
