SUBJECT: SC-0259-21 Fire & Burglar Alarm Monitoring Service

In response to the solicitation for bids to provide fire and security systems monitoring, service, repair, and maintenance at various COJ facilities, the Procurement Division received five (5) responses from bidders at the September 9, 2020 bid opening. The results were made available to the Public Buildings Division September 29th 2020 to review for a recommendation of award and advised that all bidders met the minimum qualifications. Totals by suppliers had to be corrected, but did not change the outcome of the award recommendation. Atlantic Security is the lowest responsive, responsible bidder in the total base bid amount of $66,272.50.

After reviewing all five (5) bids, the Public Buildings Division recommends to the lowest responsive, responsible bidder, Atlantic Security, in the amount of $110,232.50. This amount consists of 9 months monitoring $49,455.00 ($5,495.00 per month), transceivers $38,465.00 (one time cost), and an allowance for service calls in the amount of $22,312.50. Initial award is for a period of 9 months, beginning January 1, 2021 through September 30, 2021, with four (4) one (1) year renewal options.

Funding for this award will be encumbered by releases against the purchase order agreement. Account to be determined by work being performed, the building being serviced, and the fiscal year.

Your assistance in concurring with this recommendation for the respective award would be appreciated. If you have any questions or need additional information regarding this request, please contact Mike Soto at 255-4337.

TERMS AND CONDITIONS
FIRE & BURGLAR MONITORING SERVICE & INSTALLATION AT VARIOUS CITY LOCATIONS

1. SCOPE

The City of Jacksonville's **Public Building Division** is currently accepting bids to obtain a source of supply for the item(s) / service(s) as outlined in the bid documents provided. The purpose of this bid invitation is to obtain information about your firm and its ability to provide these item(s) / service(s) and to obtain pricing commitments for **Fire & Burglar Monitoring Service & Installation at Various City Locations** as listed in the bid documents.

2. AWARD

Award will be **ALL OR NONE** to the lowest responsive, responsible bidder(s). Bidders must bid on all items to be considered for award. The City reserves the right to reject any or all bids. **ALL** awards are subject to the availability of funds.

3. TERM OF AGREEMENT

The term of this agreement will be from October 29, 2020 through September 30, 2021 with four (4) one (1) year renewal options. Renewal Options may be exercised at the discretion of the City based on supplier performance and adherence to the terms and condition set forth in the bid documents.

City reserves the right to terminate the contract for any reason by giving thirty (30) days written notice to contractor (supplier). If the contract is terminated for convenience, City will be relieved of all further obligations other than payment for that amount of approved services actually performed to the date of termination. Access to any and all work papers will be provided to City within 30 days after the termination of the contract.

4. MINIMUM REQUIREMENTS

Bidders should submit or comply with the following requirements: failure to submit any of these requirements **may be grounds for rejection**:

a. Vendor shall provide proof of applicable local business license.

b. Contractor(s)/Supplier(s) shall have a locally staffed office during normal business hours with emergency service available 24 hours per day, 7 days per week via staffed answering service or other live contact. Applicable after-hours staff or answering service should maintain an accurate multiple technician list capable of response to emergency situations within the four (4) hour time limit stipulated by this contract.

c. Contractor(s)/Supplier(s) shall provide a central monitoring station capable in managing consumer needs, receipt of all signals, and immediate and remedial responses for the identified locations and accounts (Attachment A), demonstrating this capability by managing similar quantities of accounts for commercial facilities over the last 5 years.

d. Contractor(s)/Supplier(s) shall visit locations to validate type of fire and security systems, as well as the manufacturer and model numbers at each location (Attachment A).

e. Contractor(s)/Supplier(s) shall be certified and licensed by the State of Florida for the sales, installation, repair, and inspection of fire and burglar alarm systems. Technicians must have current Fire Alarm System Agent + Burglar Alarm System Agent (FASA+BASA) certification.

f. See Specifications for other requirements

SPECIFICATIONS

Fire & Burglar Monitoring Service & Installation at Various City Locations

DESCRIPTION OF WORK

The City of Jacksonville (COJ) is currently accepting bids from qualified, experienced contractor (supplier) to provide fire and security systems monitoring, service, repair, and maintenance at various COJ facilities.

PART 1 - GENERAL

1.1 SCOPE OF WORK

A. The work shall consist of monitoring, service, repair, maintenance, and installation of integrated security alarm systems at various COJ facilities.

B. Provide 24 hours per day, 7 days per week central station services to monitor and initiate immediate and follow up responses to calls, alerts, supervisory, trouble, or specific alarm signals received via the current city-wide cellular communication network.

C. Maintain at least 6 months central station history, for all locations, made remotely accessible to designated COJ representatives.

D. Service, repair, maintain, and install integrated fire and burglar (combo) security alarm systems, assemblies, sub-assemblies, wiring, conduit, and peripherals.

E. Maintain, service, or install communication transceivers and all associated integrated security alarm systems circuitry for proper operation.

F. Maintain the current city-wide integrated security system cellular communication network.

G. Interpret trouble, supervisory, repeat alarm activation signals, or as a result of service request findings, communicate needs for repair of Fire and Security Alarm systems to the designated COJ representatives.

H. Maintain operation of Fire Alarm only systems, limited to monitoring and service responses as illustrated above (B-G).

I. Coordinate all services through various methods of communication to and with (1) designated COJ representatives, (2) occupant points of contact to ensure proper operation and resolve issues.

J. Provide onsite technician responses to trouble calls within regular work and after work hours with 4 hours advanced notice.

K. Provide system design, engineering, or budgetary proposals as requested.

1.2 SCHEDULING OF OPERATIONS

Contractor (supplier) must note that buildings will be occupied in most situations. All work must be
