Cheryl,

Attached is the updated gift disclosure which has the following corrections:

Addition of Beach Boys Concert on May 16 (No tickets were used, original 20 tickets in envelope given to Katrina today)

Addition of Armada Game on March 8 (no tickets were used, original 6 tickets given to Katrina today)

16 unused Jazz Piano competition tickets (In envelope given to Katrina, the original spreadsheet says they were returned to the Mayor's office.)

Hopefully, this completes the ticket distribution registry.
