SUBJECT: Temple FCU 500-071 School Zone Time Switch
FDOT APL Certification #678-008-023
Single Source – Administrative Award
Requisition: PWTE-500476-21
Total Cost: $139,050.00
Funding: Project 004403 – Flasher Clocks for School Zone

FCU 500-071 School Beacon Time Switch is the only School Flasher Clock compatible with the A1 Glance Central System the City of Jacksonville uses. This system provides the ability for the clocks to communicate with the Traffic Management Center TMC. For instance, when the start and/or end time of any or all school changes, the adjustment to the school zone(s) is made at the Traffic Engineering Offices. When a school zone malfunctions or is down, this system notifies TMC and troubleshooting can be accomplished remotely.

Research has been conducted with regard to the availability of the requested goods from other sources in applicable markets. This product is exclusively provided by Temple.

Your assistance in concurring with this recommendation for the respective award would be appreciated.

SINGLE SOURCE REQUEST

Pursuant to the City of Jacksonville Procurement Code § 126.206 & § 126.312, when requesting a purchase from a Supplier subject to the referenced sections, please complete this form to justify your request and submit to Procurement with applicable attachments
