Daryl Joseph Lori Boyer	P-01-21	Subcommittee Report Northbank Bawn/Riverfront Plaza FKA Jacksonville Landing Design Competition Downtown Investment Authority (DIA)	The PSEC met on Thursday, March 18, 2021, to conclude the evaluation of fourteen (14) proposals received in response to Part I of the RFP. As a result of that meeting, and per Part II of the RFP, a "Special" PSEC meeting (Design Competition) was held on Thursday, June 24, 2021, for the purpose of conducting 50% design presentations & interviews with the top three (3) most qualified Design Teams. As a result of these presentations and Part II submittals, it is the consensus of the committee that of the three (3) firms interviewed, all were found to be responsive, interested, qualified and available to provide the services required by the RFP. The ranking of first, second and third designates the order of qualification of these companies to perform the required services and alphabetically they are: <ul style="list-style-type: none"> 2) Agency Landscape +Planning, LLC 3) OLIN Partnership, Ltd. 1) Perkins & Will We recommend the above list is forwarded to the mayor for final selection so that fee & contract negotiations may begin with <u>Perkins & Will</u> , the number one (1) ranked firm.
