PURPOSE: TO PERMIT TO USE THE CITY'S RIGHT-OF-WAY OR EASEMENTS AS SHOWN IN PLAT BOOK 100 PAGE 100 (DEVELOPMENT NAME) FOR THE PURPOSES SPECIFIED BELOW. THE TERMS AND CONDITIONS SET FORTH BELOW AND THE GENERAL PROVISIONS LISTED BELOW SHALL APPLY.

PURPOSE OF AGREEMENT AND DETAILED DESCRIPTION OF IMPROVEMENTS:

The Developer is responsible for maintenance of all Landscaping, irrigation and signs within City easements and Right-of-Ways until such time an agreement is in place transferring maintenance responsibility to a qualified Homeowner's Association and is hereby granted a revocable permit (the "Permit") for the installation and maintenance of such Landscaping, irrigation and signs, subject to Developer's requirement to pull building and sign permits for any signs, walls, fences or other structures installed within the City easements and Rights-of-Ways. The Developer or Homeowners Association which has assumed the maintenance responsibilities is hereinafter referred to as the "Permittee". For purposes of the maintenance requirements of this Section, Landscaping shall not include the grass and sod to be installed by Developer pursuant to Section II below.

The Developer is responsible for maintenance of the roadway sub-base, base and pavement for a period of twelve months from date of acceptance by the Department of Public Works.

The Developer is responsible for all damage to curb, gutter and sidewalks incurred during the installation of improvements such as sod, sidewalks, or maintenance activities during the warranty period. Exception: Damage to the Right-of-Way adjacent to a structure under construction will be the responsibility of the permit holder for that structure.

GENERAL PROVISIONS:

- (a) Permittee shall repair, at its sole cost and expense, any and all damage, if any, to the improvements in the City easements and Rights-of-Ways, including but not limited to, roadway sub-base, base and pavement, curb, gutter and sidewalks, resulting from the exercise of its rights pursuant to the Permit.
 - (c) This Permit is revocable at any time, upon giving 30 days notice to Permittee, at the option and discretion of City or its duly authorized representative.
 - (d) In the event that the City revokes this Permit, Permittee shall immediately remove at its cost and expense any Landscaping and irrigation installed pursuant to the Permit and Permittee shall at Permittee's expense restore the right-of-way to its condition prior to installation of the improvements; provided, that if Permittee shall fail to do so or fail to do so in a manner that does not interfere with the City's use of the right of way or easement, then the City may perform such removal at the cost and expense of Permittee.
 - (e) Permittee shall act as an independent contractor, and not as an employee of the City in performing its obligations pursuant to this Agreement. Permittee shall be solely liable, and agrees to be solely liable for, and shall indemnify, defend and hold City harmless from any and all loss, damage, action, claim, suit, judgment, cost or expense for injury to persons (including death) or damage to property (including destruction) in any manner resulting from or arising out of the installation, maintenance (failure to maintain), use or existence of the improvements described above. The foregoing shall include any damage incurred by Permittee or to the improvements due to the removal of the improvements by City or Permittee; as well as any damage caused by the forces of any natural occurrence.
