CITY OF JACKSONVILLE, FLORIDA

PERFORMANCE BOND

REQUIRED BY SECTION 255.05, FLORIDA STATUTES

KNOW ALL MEN BY THESE PRESENTS, that SOUTHEAST ENVIRONMENTAL CONTRACTING, INC., as Principal, (hereinafter called "Contractor"), and Western Surety Company, a corporation organized and existing under the laws of the State of South Dakota and duly authorized to conduct and carry on a general surety business in the State of Florida, as Surety (hereinafter called "Surety"), are each held and firmly bonded unto the City of Jacksonville, a municipal corporation in Duval County, Florida, as Obligee (hereinafter called "City"), in the sum of FOUR MILLION THREE HUNDRED EIGHTY-NINE THOUSAND EIGHT HUNDRED AND 00/100 USD (\$4,389,800.00), lawful money of the United States of America, for the payment whereof Contractor and Surety bind themselves, their respective heirs, executors, administrators, legal representatives, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, the Principal made and entered into City Contract Number 10034 (to be inserted by the City) (the "Contract"), dated as of the 5 day of Aug, 2014, for furnishing, not by way of limitation, all labor, materials, and equipment, and performing all operations necessary for the Trail Ridge Landfill Incremental Closure (Phase IV) located at 5110 U.S. Highway 301 South, Baldwin, Florida (hereinafter the "Project"), including but not limited to mobilization, construction, and placement of final cover on designated side slope areas, construction and installation of drainage system, site clean-up, demobilization, and

all other related work shown on construction plans and described in the Scope of Work, all in accordance with plans and specifications entitled *SPECIFICATIONS FOR TRAIL RIDGE LANDFILL INCREMENTAL CLOSURE (CLOSURE PHASE 4)* for the City of Jacksonville, Florida, in strict accordance with plans and specifications prepared by England, Thims & Miller, bid numbered CP-0089-14, bid date May 7, 2014, and any advertisement for bids for said work and the drawings, plans, and specifications for said work and requirements of the City request for bids and award therefor and of the Contract and all documents included as a part of the Contract, all of which are, by this reference, made a part hereof to the same extent as if fully set out herein.

NOW, THEREFORE, THE CONDITION OF THIS OBLIGATION is such that, if Contractor shall: (1) promptly and faithfully perform the construction work and other work in the time and manner prescribed in said Contract, which is made a part of this Bond by reference, in strict compliance with the Contract requirements; and (2) perform the guarantee and maintenance of all work and materials furnished under the Contract for the time specified in the Contract; and (3) pay the City all losses, delay and disruption damages, and all other damages, expenses, costs, statutory attorney's fees, including appellate proceedings, that the City sustains because of a default by Contractor under the Contract, then this Bond shall be void; otherwise, it shall remain in full force and effect, both in equity and in law, in accordance with the laws and statutes of the State of Florida.

PROVIDED, that the Surety hereby waives notice of any alteration or extension of time made by the City, and any changes in or under the Contract and compliance or noncompliance with any formalities connected with the Contract or the changes does not affect Surety's obligation under this bond.

PROVIDED FURTHER, that whenever Contractor shall be declared by the City to be in

default under the Contract, the City having performed the City's obligations thereunder, the Surety shall, at the City's sole option, take one (1) of the following actions:

- (1) Within a reasonable time, but in no event later than thirty (30) days after the City's written notice of termination for default, arrange for Contractor with the City's consent, which shall not be unreasonably withheld, to complete the Contract and the Surety shall pay the City all losses, delay and disruption damages, and all other damages, expenses, costs, and statutory attorney's fees, including those incurred in appellate proceedings, that the City sustains because of a default by the Contractor under the Contract; or
- (2) (A) Within a reasonable time, but in no event later than sixty (60) days after the City's written notice of termination for default, award a contract to a completion contractor and issue a notice to proceed. Surety shall obtain a bid or bids for completing the Contract in accordance with its terms and conditions, and upon determination by Surety of the lowest responsible qualified bidder, award a contract; (B) alternatively, the City may elect to have the Surety determine jointly with the City the lowest responsible qualified bidder, to have the Surety arrange for a contract between such bidder and the City, and for the Surety to make available as Work progresses sufficient funds to pay the cost of completion less the balance of the Contract price (even though there should be a default or a succession of defaults under the contract or contracts of completion arranged under this paragraph). The term "balance of the Contract price", as used in this Bond, shall mean the total amount payable by the City to Contractor under the Contract and any approved change orders thereto, less the amount properly paid

by the City to Contractor. (C) Either way, the Surety shall pay the City all remaining losses, delay and disruption damages, expenses, costs, and statutory attorney's fees, including those incurred in appellate proceedings, that the City sustains because of a default by Contractor under the Contract; or

- (3) Within a reasonable time, but in no event later than thirty (30) days after City's notice of termination for default, waive its right to complete or arrange for completion of the Contract and, within twenty-one (21) days thereafter, determine the amount for which it may be liable to the City and tender payment to the City of any amount necessary in order for the City to complete performance of the Contract in accordance with its terms and conditions less the balance of the Contract price, and shall also indemnify and save the City harmless on account of all claims and damages arising from the Contractor's default under the Contract, and pay the City for all losses, delay and disruption damages, and other damages, expenses, costs, and statutory attorney's fees, including those incurred in appellate proceedings, that the City sustains because of a default of the Contractor under the Contract.

PROVIDED FURTHER, the Surety shall indemnify and save the City harmless from any and all claims and damages arising from the Contractor's default under the Contract, including but not limited to contractual damages, expenses, costs, injury, negligent or intentional default, patent infringement, and actual damages (including delay and disruption damages) in accordance with the Contract, and including all other damages and assessments which may arise by virtue of failure of the product to perform or any defects in work or materials within a period of one (1) year from the date on which the Contractor receives from the City a certificate of final

completion under the Contract.

PROVIDED FURTHER, that during any interim period after the City has declared Contractor to be in default but Surety has not yet remedied the default in the manner acceptable to the City, Surety shall be responsible for securing and protecting the work site, including, but not limited to, the physical premises, structures, fixtures, materials, and equipment, and shall be responsible for securing and protecting materials and equipment stored off-site in accordance with the Contract.

PROVIDED FURTHER, no right of action shall accrue on this Bond to or for the use of any person or corporation other than the City named herein or the heirs, executors, administrators, or successors of the City.

WHEREAS, the Principal made and entered into City Contract Number 10034 (to be inserted by the City) (the "Contract"), dated as of the 5 day of Aug, 2014, for furnishing, not by way of limitation, all labor, materials, and equipment, and performing all operations necessary for the Trail Ridge Landfill Incremental Closure (Phase IV) located at 5110 U.S. Highway 301 South, Baldwin, Florida (hereinafter the "Project"), including but not limited to mobilization, construction, and placement of final cover on designated side slope areas, construction and installation of drainage system, site clean-up, demobilization, and all other related work shown on construction plans and described in the Scope of Work, all in

NOW, THEREFORE, THE CONDITION OF THIS BOND is such that if the said Principal:

(1) Promptly makes payments to all claimants, as defined in Sections 255.05 and 713.01, Florida Statutes, supplying Principal with labor, materials, or supplies that are consumed or used directly or indirectly by Principal in connection with the prosecution of the work provided for in such Contract and including all insurance premiums on the work and any authorized extensions or modifications of such Contract; and

(2) Defends, indemnifies, and saves the City harmless from claims, demands, liens, or suits by any person or entity whose claim, demand, lien, or suit is for the payment of labor, materials, or equipment furnished for use in the performance of the Contract, provided the City has promptly notified the Principal and Surety of any claims, demands, liens, or suits and provided there is no failure by the City to pay the Principal as required by the Contract; and

(3) Pays the City all losses, damages, expenses, costs, and attorney's fees, including those incurred in appellate proceedings, that the City sustains because of the Principal's failure to promptly make payments to all claimants as provided above, then this Bond is void; otherwise, it remains in full force and effect, both in equity and in law, in accordance with the statutes and the
