GRIEVANCE HEARING

**1. DAVID ADAMS vs. OFFICE OF PROPERTY APPRAISER and
EMPLOYEE SERVICES DEPARTMENT**

The Employee Services Department initiated a Reduction in Force/Layoff within the Property Appraiser's Office. The City applied and issued a RIF using Civil Service and Personnel Rules and Regulations Rule 7.03, Layoffs.

Mr. Adams contends he was not timely notified when he was laid off. He received the RIF notice on October 30, 2015, and continued to work until November 4, 2015. Mr. Adams was placed on Administrative leave and given an "Employee Separation Agreement."

He requests his leave account be exhausted and not paid as a lump sum. He believes that the procedure for layoffs, Rule 7.03 has been incorrectly applied for determining tenure and seniority for this position.
