AGREEMENT

This Agreement is entered into between the City of Jacksonville and the Jacksonville Consolidated Lodge No. 5-30 of the Fraternal Order of Police (the **Union** or **F.O.P.**). **Employer** means Office of the Sheriff or the City of Jacksonville as the context may require. The intent of this Agreement is to assure sound and mutually beneficial working and economic relationships between the parties, to provide an orderly and peaceful means of resolving any misunderstandings or differences which may arise, and to set forth basic and full agreement between the parties concerning wages, hours, and other terms and conditions of employment. There are and shall be no individual arrangements contrary to the terms herein provided. It is mutually understood and declared to be the public policy of the **Employer** and the **F.O.P.** to promote harmonious and cooperative relationships between the **Employer** and its employees, and to protect the public by assuring, at all times, the orderly and uninterrupted operations and functions of government.

ARTICLE 1: UNION RECOGNITION

- 1.1 The **Employer** recognizes the **F.O.P.** as the exclusive collective bargaining representative for those employees in the defined Corrections Officers Unit for the purpose of bargaining collectively in the determination of the wages, hours, and terms and conditions of employment. "Employee" shall be defined to include all classified employees who are employed by the City of Jacksonville in the Criminal Justice classifications for certified Corrections Officers of non-supervisory rank.
- 1.2 **A.** The **Employer** will notify the **F.O.P.** when a new class is created.
- B.** (1) The **Employer** shall notify **F.O.P.** of class specification and pay range revisions to any classification that is presently in the bargaining unit prior to the implementation of those revisions. The **F.O.P.** may submit comments about the revisions within ten (10) working days of the date of the **Employer's** notice. Additionally, the **Employer** and the **F.O.P.** agree to establish a committee, comprised of an equal number of **F.O.P.** and Management representatives from the Corrections Department, who will meet as needed to review changes in the class specification and pay range revisions to any classification. The meeting will take place prior to the implementation of proposed changes if possible.
- (2) The **Employer** will provide the **F.O.P.** with copies of all documents used in support of the proposed revisions.
- 1.3 It is further understood and agreed that the President or an alternate of the Jacksonville Consolidated Lodge No. 5-30 of the **F.O.P.** will be the official spokesman for the Fraternal Order of Police in any matter between the **F.O.P.** and the **Employer**. The alternate shall be selected from one of the officers listed below:

Business Agent
Member of F.O.P. Lodge 5-30 Executive Board
Florida State Lodge representative (with letter of authorization to represent Jacksonville Consolidated Lodge No. 5-30)

- 1.4 Any alternate designated by the President shall be designated in writing, including the period of time covered by such designation. A written list of the accredited officers and representatives of the **F.O.P.** shall be furnished to the Sheriff and the City's Director of Employee Services immediately after their designation and the Sheriff and the City's Director of Employee

CORRECTIONS OFFICERS RANK & FILE

Services shall be notified of any changes of said representatives within five (5) days.

ARTICLE 2: UNION SECURITY

- 2.1 In accordance with Section 447.301, Florida Statutes, employees have the right to form, join, or assist labor unions or labor organizations, or to refrain from such activity, to bargain collectively through representatives of their own choosing, and to engage in concerted activities not prohibited by law for the purpose of collective bargaining or other mutual aid or protection.

Employees in the bargaining unit shall have the right to join the **F.O.P.**, to engage in lawful concerted activities for the purpose of collective bargaining or other mutual aid and protection, and to express opinions related to the conditions of employment, all free from restraint, discrimination, intimidation, or reprisal because of that employee's membership or lack of membership in the **F.O.P.** or by virtue of that employee holding office or not holding office in the **F.O.P.**. This provision shall be applied to all employees in this bargaining unit.

- 2.2 **A.** The **Employer** agrees to provide an original copy of this Agreement to the **F.O.P.** and to place one copy of the Agreement online.
- B.** The **Employer** will notify all persons hired into job classifications that are within the bargaining unit, that their job classification is within the bargaining unit and that their job is governed by a collective bargaining agreement between the **Employer** and the **F.O.P.** The **Employer** will also give the employee the name, address, and telephone number of the **F.O.P.**, and notify the employee that he/she may call the **F.O.P.** for additional information. The **Employer** will provide the notification referred to in this paragraph during the regular orientation period for new employees.
- 2.3 **A.** Upon receipt of a written authorization from an employee covered by this Agreement, the **Employer** will deduct from the employee's pay the amount owed to the **F.O.P.** by such employee for dues and uniform assessments. It is understood that this provision will provide for bi-weekly deductions. The **Employer** will remit to the **F.O.P.** such sums no later than the tenth (10th) day of each month following such deductions. Changes in the **F.O.P.** membership dues rate will be certified to the **Employer** in writing over the signature of the authorized officer(s) of the **F.O.P.**, and shall be done at least thirty (30) days in advance of the effective date of such change. The **Employer's** remittance will be deemed correct if the **F.O.P.** does not give written notice to the **Employer**, within two (2) calendar weeks after a remittance has been received, of its belief that the remittance is incorrect, with reason(s) stated therefore.

CORRECTIONS OFFICERS RANK & FILE

- B.** Deductions for **F.O.P.** dues and/or uniform assessments pursuant to Section 447.303, Florida Statutes, shall continue until either: (1) the employee revokes his/her authorization for dues deduction by submitting a signed form to the Paymaster revoking such authorization, with a copy by certified mail to the **F.O.P.**, at least thirty (30) days in advance of the effective date of such revocation; (2) authorization for dues deduction is revoked pursuant to Section 447.507, Florida Statutes; (3) the termination of employment; or (4) the transfer of the employee out of the bargaining unit unless such transfer is to another City bargaining unit represented by the **F.O.P.** The **Employer** will notify the **F.O.P.** of all additions to and deletions from the dues deduction roster, within two weeks following the close of each pay period.
- C.** No deduction shall be made from the pay of any employee for any payroll period in which the employee's net earnings for that payroll period are less than the amount of dues to be deducted. Net earnings shall mean earnings after required deductions are made for federal taxes, Social Security, pension, credit union, and health and life insurance.
- D.** The **F.O.P.** will indemnify, defend, and hold the **Employer** harmless against any claim made and against any suit instituted against the **Employer** on account of any deductions for **F.O.P.** dues or uniform assessments.
- 2.4** The **F.O.P.** has been provided with a copy of departmental policies and work regulations. A copy of any new or revised departmental policy or work regulations will be forwarded to the **F.O.P.** upon adoption.
- 2.5** All departmental policies and work regulations shall be posted in the appropriate areas.
- 2.6** The **Employer** and the **F.O.P.** agree that on or before ninety (90) days after City Council Approval of this Agreement all written directives issued by the Office of the Sheriff that are in conflict with the terms and provisions of this Agreement shall be reissued so that no conflicting language shall exist in the written directives.

ARTICLE 3: UNION ACTIVITY

3.1 Stewards and Representation:

- A. The employees covered by this Agreement will be represented by stewards and alternate stewards who will be active employees covered by this agreement. There will be an **F.O.P.** steward for each watch at each facility/division. These stewards will be selected by the **F.O.P.** The alternate steward will only become active in the event of the physical absence of the regular steward.
- B. The written list of stewards alternates and officers shall be furnished to the **Employer** prior to the effective date for their assuming duties of office. The **F.O.P.** shall notify the **Employer** promptly of any changes of such **F.O.P.** stewards. No **F.O.P.** steward shall perform any **F.O.P.** work unless the **F.O.P.** has complied with this requirement. The list will indicate the specific area in which the stewards and alternates will function.
- C. The **Employer** recognizes and shall work with the appropriate **F.O.P.** stewards and **F.O.P.** representatives.
- D. **F.O.P.** representatives and stewards are subject to the same rules of the City of Jacksonville as are all other public employees, except as specifically outlined in this Agreement.
- E. No employee shall function as an **F.O.P.** steward while on leave of absence without mutual consent of the **F.O.P.** and the **Employer**.
- F. Designated **F.O.P.** stewards shall be allowed reasonable time, without loss of pay, to investigate and settle grievances at step one and above, if such investigation is required for the prompt and effective settlement of the grievance in question. The steward must advise his/her supervisor of the need to use such time and must secure permission before conducting the investigation. Such permission shall not be unreasonably withheld. Stewards shall normally investigate and settle grievances on the job site, and shall not be allowed to unreasonably hamper the work operations of the **Employer** by conferring with other employees. **F.O.P.** stewards shall not conduct any grievance work on overtime or holiday time except in emergency situations. If oral permission proves not to ensure adequate control of stewards' time, written permission will be required.

CORRECTIONS OFFICERS RANK & FILE

- 3.2 Nothing in this Agreement shall prevent any employee from presenting, at any time, his/her own grievances, in person or by legal counsel to the **Employer**, or from having such grievance adjusted without the intervention of the **F.O.P.**, if the adjustment is not inconsistent with terms of this Agreement then in effect, and if the bargaining agent has been given reasonable opportunity to be present at any meeting called for the resolution of such grievance.
- 3.3 The **F.O.P.** shall not solicit memberships or collect monies on **Employer** property or during working hours. No employee will be permitted to attend **F.O.P.** meetings on working time.
- 3.4 Officials of the **F.O.P.** may be admitted to the property of the **Employer**, with proper authorization. Such authorization will not be unreasonably withheld. This admission will be for the purpose of ascertaining whether or not this Agreement is being observed by the parties. The visitation shall not be disruptive to the work force. Those officials shall be able to talk with employees before or after regular working hours or during lunch hours of said employees in areas mutually agreed to by the **F.O.P.** and the **Employer**. When an area or building belonging to the **Employer** is not normally open for visitation, the **Employer** shall provide a responsible escort to the **F.O.P.** official, provided this service must be arranged by the **F.O.P.** in advance of the visitation.
- 3.5 The President of the **F.O.P.**, or designee, may, with prior approval of the **Employer**, address any assembly of bargaining unit personnel at regular roll calls, at in-service training, and at each recruit class at the academy. The time for such address shall be determined by the **Employer**.
- 3.6 **Pool Time**
- A. If the FOP President is an active employee a bank of nine thousand (9,000) hours will be furnished by the **Employer** for use as **F.O.P.** Pool Time to be shared between all **F.O.P.** units within the Jacksonville Sheriff's Office. If the **F.O.P.** President is not an active employee, the **Employer** will furnish a bank of five thousand eight hundred (5,800) hours for use as **F.O.P.** Pool Time to be shared between all **F.O.P.** units within the Jacksonville Sheriff's Office. The time shall be used by any member of the **F.O.P.** for **F.O.P.** activities. Approval of such time shall be authorized by the **F.O.P.** President or his/her designee. Time charged will be the actual time used. The **F.O.P.** may roll over not more than one thousand two hundred and fifty (1,250) hours to a subsequent year. No more than nine thousand (9,000) hours within all **F.O.P.** units shall be taken in any given year. When the **F.O.P.** requests time off under these provisions, the employee who is to be off shall

CORRECTIONS OFFICERS RANK & FILE

electronically submit the request to the Office of the Sheriff for approval. The employees involved shall submit appropriate leave request forms at least forty-eight (48) hours in advance of the use of Pool Time. Such request will not be unreasonably denied. A request for Pool Time may be denied if it causes the use of overtime.

- B.** The **F.O.P.** also reserves the right to continue its current practice of having members donate days from their personal leave accounts to be added to the bank of Pool Time.

ARTICLE 4: BULLETIN BOARDS

- 4.1 The **F.O.P.** shall be provided partial use of suitable bulletin boards, including at least one (1) in each division so designated by the **Employer**. In the alternative, the **F.O.P.** may, if it so desires, provide a bulletin board, of standard size, for its exclusive use in keeping with the decor of the above locations and with the approval of the **Employer**. In addition, the **F.O.P.** will be provided with centralized electronic posting ("electronic bulletin board") within the JSO system, for the same purpose.
- 4.2 The **F.O.P.** agrees that it shall use space on bulletin boards provided for in Section 4.1 above only for the following purposes:

Notices of F.O.P. meetings
Elections of F.O.P. Officers
Reports of F.O.P. committees
Rulings and policies of the F.O.P.
Recreational and social affairs of the F.O.P.
Notices by public bodies

- 4.3 Copies of all material, notices, or announcements shall be submitted to the **Employer** before they are posted.
- 4.4 No material, notices, or announcements shall be posted by the **F.O.P.** which contains anything political or controversial, or anything adversely reflecting upon the City of Jacksonville, its officials, managers, consultants, or agents, its independent agencies, its employees, or any other labor organization. Any proven violation of this Section by the **F.O.P.** shall entitle the **Employer** to cancel immediately the provisions of this section and to remove that bulletin board or the partial use thereof.
- 4.5 Notices or other information intended for the JSO electronic bulletin board shall be submitted on appropriate electronic media to the JSO Chief of Human Resources or designee for approval as to compliance with 4.2 before being posted. Notices or other information intended for the electronic bulletin board shall include a specific date on which the notice or information is to be automatically deleted from the electronic bulletin board. Approved materials will be posted electronically as soon as practicable.

ARTICLE 5: MANAGEMENT SECURITY

- 5.1 Subject to the specific provisions of this Agreement and Chapter 447, Florida Statutes, the **F.O.P.** and its officers, agents, and members agree that they shall not instigate, promote, sponsor, engage in, or condone any strike, slow-down, concerted stoppage of work, intentional interruption of **Employer** operations, or similar activities during the term of this Agreement, for any reason. Management shall have the right to discharge or otherwise discipline any or all employees who violate the provisions of this paragraph. The only question that may be raised in any proceeding (grievance, judicial or other) contesting such action is whether the provision preventing strikes, slow-downs, concerted stoppages of work, intentional interruptions of **Employer** operations, or similar activities was violated by the employee to be discharged or otherwise disciplined.
- 5.2 A. The **F.O.P.**, its officers, representatives, agents, members, and any persons acting on their behalf, agree that the following "other unlawful acts" as defined in Chapter 447, Florida Statutes, are expressly prohibited:
- (1) Soliciting public employees during the working hours of any employee who is involved in the solicitation.
 - (2) Distributing literature during working hours in areas where the actual work of public employees is performed, such as offices, warehouses, schools, police stations, fire stations, and any similar public installation. This section shall not be construed to prohibit the distribution of literature during the employee's lunch hour or in areas not specifically devoted to the performance of any employee's official duties.
 - (3) Instigating or advocating support, in any positive manner, for an employee organization's activities from high school or grade school students during classroom time.
- B. The circuit courts of this state shall have jurisdiction to enforce the provisions of this section by injunction and contempt proceedings if necessary. An employee who is convicted of a violation of any provision of this section may be discharged or otherwise disciplined by the **Employer** notwithstanding further provisions of any collective bargaining agreement.
- C. No employee organization shall directly or indirectly pay any fines or penalties assessed against individuals pursuant to the provisions of

this article.

- D. Notwithstanding further provisions of any collective bargaining agreement, a public employee who is found to have violated any provision of this article may be discharged or otherwise disciplined by the **Employer**.

5.3 The **Employer** and the **F.O.P.** agree that the basic intent of this Agreement is to provide a fair day's pay in return for a fair day's work and to provide conditions of employment suitable to maintain a competent work force. The **Employer** and the **F.O.P.** agree that all provisions of this Agreement shall be applied equally to all employees covered by it.

ARTICLE 6: SAVINGS CLAUSE

- 6.1 The **Employer** retains all rights, powers, functions, and authority it had prior to the signing of this Agreement, except as such rights, powers, functions, and authority are specifically relinquished or abridged in this Agreement in accordance with Section 447.309(3), Florida Statutes.
- 6.2 All matters pertaining to terms and conditions of employment guaranteed by law to employees within the bargaining unit shall apply except as such matters are specifically abridged or modified by the terms of this Agreement in accordance with Section 447.309(3), Florida Statutes.

ARTICLE 7: MANAGEMENT RIGHTS

- 7.1 It is the right of the **Employer** to determine unilaterally the purpose of each of its constituent agencies, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations, including the right to sub-contract. It is also the right of the **Employer** to direct its employees, take disciplinary action for proper cause, and to relieve its employees from duty because of lack of work or for other legitimate reasons; provided, however, that the exercise of such rights shall not preclude employees or their representatives from raising grievances, should decisions on the above matters have the practical consequence of violating the terms and conditions of this Agreement.
- 7.2 Whenever it is determined that Civil Emergency conditions exist, including riots, civil disorders, hurricane conditions, or similar catastrophes as set forth in 252.34(3) of Florida Statutes, or when such conditions can reasonably be determined to be imminent, excluding the normal operational requirements of major civic/sporting events such as the Super Bowl, the provisions of this Agreement addressing notification, scheduling and shift assignments may be suspended by the Mayor and/or Sheriff during the time of the declared emergency provided that wage rates and monetary fringe benefits shall not be suspended.

ARTICLE 8: EMPLOYEE EVALUATIONS

- 8.1 Employee evaluations shall be standard and in writing. It is understood that the rater must be a certified correctional officer of higher rank, or an appointed ranking member of the Sheriff's staff, and properly trained to conduct employee evaluations. Any employee dissatisfied with his/her evaluation may follow the grievance procedure as outlined in this Agreement, only through Step IV and may not be subject to arbitration. Any employee dissatisfied with his/her evaluation due to a procedural discrepancy e.g., qualification of the rater, or failure to follow written policy and procedure, may follow the grievance procedure as outlined in this Agreement. The grievance shall be subject to arbitration.
- 8.2 In the event the **Employer** proposes to change the existing evaluation system, the **Employer** and the **F.O.P.** agree to establish a committee, consisting of an equal number of **F.O.P.** representatives and management representatives from the Corrections Department, who will be given the opportunity to review and recommend procedural changes in the current evaluation system prior to implementation of any changes.

ARTICLE 9: CHANGES IN CIVIL SERVICE AND PERSONNEL RULES AND REGULATIONS

Any recommended changes in the Civil Service and Personnel Rules and Regulations, which affect employees covered by this Agreement, will be presented in writing to the **F.O.P.** at least ten (10) working days prior to submission to the Civil Service Board.

Additionally, the **Employer** and the **F.O.P.** agree to establish a committee, comprised of an equal number of **F.O.P.** and Management representatives from the Corrections Department, who will meet as needed to review proposed changes in the Civil Service Rules. The meeting will take place prior to the submission of the proposed changes if possible.

ARTICLE 10: SPECIAL MEETINGS

The **Employer** and the **F.O.P.** agree to meet and confer on matters of mutual interest upon the written request of either party. The written request shall state the nature of the matter(s) to be discussed and the reason(s) for requesting the meeting. Discussion shall be limited to matters set forth in the request or other subjects mutually agreed to, and it is understood that these Special Meetings shall not be used to renegotiate this Agreement. Such Special Meetings shall be held within ten (10) calendar days of the receipt of the written request and at a time and place mutually agreeable to the parties. The **F.O.P.** shall have the right at these Special Meetings to recommend the correction of any inequities known to the **F.O.P.**

ARTICLE 11: HOURS OF WORK AND OVERTIME PAYMENT

11.1 The purpose of this article is to define hours of work. Nothing in this Agreement shall be a guarantee or limitation of the number of hours to be worked per day, days per week, or for any other period of time, except as may be specifically provided herein.

11.2 Work Cycle

- A. The work cycle may begin on any day of the week.
- B. The work period for Corrections Officer covered by this Agreement shall vary depending on the work schedule the Corrections Facility works. If the Corrections Facility works within the eight (8) hours three (3) color squad schedule, the work cycle shall be a period of twenty-one (21) consecutive days or one hundred and twenty (120) hours. If the Corrections Facility works the Jacksonville Sheriff's Office (JSO) Patrol 11.42 work schedule rotation for a twelve (12) hour shift, then the work period shall be a period of twenty-eight (28) consecutive days or one hundred sixty-eight (168) hours.

11.3 Work Schedules

- A. The regular operational work schedule consists of an eight (8) hour shift or twelve (12) hour shift. Employees are required to report for duty fifteen (15) minutes prior to the start of their shift for an eight (8) hour shift. Employees are required to directly report to their assigned area for a twelve (12) hour shift. This will result in a total of eight (8) hours and fifteen (15) minutes of time spent on the job site during each eight (8) hour shift. For the twelve (12) hour shift, this will result in a total of twelve (12) hours spent on the job site during each twelve (12) hour shift. Roll calls will be held as needed for the twelve (12) hour shift. Any time a roll call is held for a twelve (12) hour shift, the employee will be compensated at their regular rate of pay unless the employee is otherwise eligible for overtime compensation, as provided for in this article.

Operations Lieutenants are required to come into work one (1) hour before their regular shift for staffing roll call. At facilities where two Lieutenants are working the same shift, one Lieutenant will work their normal shift hours and one will staff roll call. Watch administrative Sergeants may be required by their supervisor to come in early to assist with roll call.

CORRECTIONS OFFICERS RANK & FILE

The practice of including a meal and a meal period during an employee's regular shift shall continue for the life of this Agreement. Employees shall be provided a meal at the **Employer's** expense each time an employees' work schedule encompasses the hours from 4:00 a.m. to 6:30 a.m., 10:00 a.m. to 1:00 p.m., and 3:30 p.m. to 6:30 p.m. Two paid meal periods of at least thirty (30) minutes will be included in the twelve (12) hour shift and the **Employer** will make every effort to provide these meal periods uninterrupted. After notification and approval of the appropriate watch commander, personnel may leave the facility and facility grounds during their meal period. On any day that the **Employer** permits an employee to take a meal period of at least fifteen (15) minutes on an eight (8) hour shift, the fifteen (15) minutes prior to his/her shift when he/she is required to report for roll call shall be considered a part of his/her regular eight (8) hour shift, and he/she will not be entitled to any additional compensation for such time. Support Staff units that do not attend a roll call will receive a paid meal period of 30 minutes for units who work an eight (8) hour shift, forty-five (45) minutes for units who work a ten (10) hour shift. On any day that the **Employer** does not allow an employee to take a meal period of at least fifteen (15) minutes, the employee will be entitled to compensation for the additional fifteen (15) minutes. This compensation will be at the employee's regular rate of pay, unless the employee is otherwise eligible for overtime compensation, as provided for in this article.

- B. Operational work schedules will be based off the current eight (8) hour, three (3) color squad schedule-based work calendar, or the JSO Patrol 11.42 schedule calendar. Utilization of the 11.42 schedule calendar will constitute twelve (12) full hours of work per shift, but it shall mirror the rotation of working days to regular days off of the 11.42 schedule.
- C. The **Employer** will give employees at least ten (10) calendar days' notice before changing an employee's regular work schedule whenever practicable. The ten (10) calendar days' notice shall not be required in an emergency.
- D. Regular work schedules showing the shift, workdays, and hours for employees will be available upon request no fewer than ten (10) calendar days in advance and will reflect at least a two (2) week work schedule; however, the **Employer** will make a good faith effort to provide upon request a one (1) month schedule. Employees may mutually agree to exchange days or shifts on a temporary basis with prior written approval of the supervisor(s), provided there is no penalty to the **Employer**. When implementing a full corrections

CORRECTIONS OFFICERS RANK & FILE

facility change of shift from eight (8) to twelve (12) hours or from twelve (12) to eight (8) hours, a minimum ninety (90) day implementation period will take place giving proper time for vetting of seniority requests and adjustment to different work hours.

- E. Where work schedules are rotated, the **Employer** shall equalize scheduled weekend work among the employees covered by this Agreement in the same functional unit, and shall grant at least one weekend off per month to each employee, whenever this can be accomplished without interfering with efficient operations.
- F. Except in emergencies, employees will not be required to work more than two (2) different shifts in a work week.
- G. An employee who has worked sixteen (16) hours or more continuously, or eight (8) hours or more overtime in the sixteen (16) hour period immediately preceding his/her regular workday, shall, upon release, be entitled to an eight (8) hour rest period before he/she returns to work. If the rest period under this section overlaps into the employee's regular workday, the employee shall lose no time thereby. If an employee is called back to work without completing his/her eight (8) hour rest period, he/she shall be compensated at the rate of two (2) times his/her regular rate of pay for all hours worked commencing from the time he/she reports back to work and ending when he/she is released for another eight (8) hour rest period. Paid rest time shall be considered the same as time worked for the purpose of determining when overtime starts in a workday.
- H. The twelve (12) hour two (2) color squad schedule for corrections shall be the same color calendar used as the JSO Patrol 11.42 blue and gold rotation in effect as of the time and date of this agreement. Shift starting times will be set at the sole discretion of the Employer. However, the Employer agrees that any change to an entire watch start time that would affect shift differential must be mutually agreed by the FOP and the Employer. Employees shall be notified of any change to their permanent shift starting time at least thirty (30) calendar days prior to the change being implemented. The thirty (30) day notification can be waived if both parties agree. Sergeants working on the 12-hour 2 color squad schedule will be required to start their shift 30 minutes early.

11.4 Overtime Compensation

- A. Employees on eight-hour shifts shall be compensated at one-and-one-half times their regular rate of pay for all hours worked in excess

CORRECTIONS OFFICERS RANK & FILE

of one hundred and twenty-eight (128) hours in a twenty-one-day work cycle. Employees on any shift shall also be compensated at one-and-one-half times their regular rate of pay for all hours worked in excess of the employee's regular shift; provided, however, that this shall not be interpreted to require premium pay when the employee works two shifts in a twenty-four-hour period as a result of a regular shift change. Employees on any shift shall be compensated at two times their regular rate of pay for all hours worked in excess of sixteen (16) hours in a twenty-four (24) hour period. Employees on twelve (12) hour shifts shall be compensated at one-and-one-half times their regular rate of pay for all hours worked in excess of one hundred and sixty-eight (168) hours in a twenty-eight (28) day work cycle.

- B.** Any employee who has left his/her normal place of work for his/her residence and is called back for unscheduled overtime shall be compensated for such overtime in accordance with this article, provided that he/she shall receive compensation for a minimum of four (4) hours at time-and- one-half (1-1/2). For purpose of this article "called back" as used in the above sentence is defined as leaving your current location to respond to another location at the direction of a supervisor or as required by department policy. Answering a phone is not considered being called back to work and phone calls, while answerable to a pager, are compensated as written in 11.4(D). The minimum time provided herein does not apply if any early call-in period extends into the start of the employee's regular workday.
- C.** When an employee is scheduled to report for work on overtime, he/she will be guaranteed a minimum of two (2) hours' pay at one-and-one-half (1-1/2) times the employee's regular rate of compensation.
- D.** When an off-duty employee is required by his/her supervisor to be answerable to a pager, he/she shall be compensated one (1) hour at the regular rate of pay for each day.

When an employee is on call and receives a phone call (directly stemming from their on-call duties) during this time period, they will be entitled to the following compensation:

The employee shall receive forty (40) minutes of overtime for the first phone call. Any subsequent phone calls in the hour time period immediately after the first phone call was received shall be part of the original forty (40) minutes of overtime compensation and the employee is not entitled for further compensation during the first hour. If an employee receives additional phone calls (directly

CORRECTIONS OFFICERS RANK & FILE

stemming from their on-call duties), after the first hour, and during the remainder of the time the employee is on-call, they will be compensated in the same manner as described above for these additional calls.

Call back pay as described above or in 11.4(B) will not be paid for administrative type phone calls such as notifying the officer that on-call status is changing, scheduling, etc.

Call back pay as described above or in 11.4(B) will not be paid for the same call. For example, if an officer is on-call and receives a telephone call that requires the officer to report to work, the officer will receive payment under 11.4(B) (4 hours overtime) but will not receive an additional forty (40) minutes of overtime under 11.4(D).

The forty (40) minutes under 11.4(D) does not apply if any early call-in period extended into the start of the employee's regular work period.

- E.** Employees who are required to work on their regular day off will be paid at the applicable overtime rate of pay.
 - F.** Compensation for overtime shall be in the form of cash payments, unless compensatory time is mutually agreeable to the employee and the Director of Corrections or designee. Compensatory time will not be limited except as defined in 11.4.H.
 - G.** Compensatory time shall be earned at the same rate it would have been paid had cash payment been received.
 - H.** Employees may accrue up to four hundred and eighty (480) hours of compensatory time. When the maximum amount of compensatory time is reached, compensation for additional overtime hours worked shall be in the form of cash payments.
 - I.** No employee may authorize overtime for himself/herself but shall be eligible to work overtime as appropriately authorized by his/her supervisor.
- 11.5** Premium payments shall not be duplicated for the same hours under any of the terms of this Agreement. Provided, however, that any employee regularly assigned to a shift for which a shift differential is paid shall receive overtime based upon the shift differential rate. Conversely, an employee who is regularly assigned to the day shift (which does not pay shift differential) who works overtime on the evening shift; will receive overtime

pay based on the rate applicable to that employee's regularly assigned shift (i.e., overtime will not be based upon the shift differential rate).

- 11.6** It is the responsibility of the **Employer** to distribute the opportunity for overtime work fairly among employees in the classifications normally performing the same type of work. It is understood that the sharing of overtime shall not delay nor increase the **Employer's** cost of operation. Overtime records of the **Employer** shall be made available to **F.O.P.** officials when requested to resolve a question involving distribution of overtime.

Nothing in this article shall require overtime payment for hours not actually worked.

11.7 Notice and Scheduling of In-Service Training

The **Employer** recognizes the need for employees to be alert and attentive for in-service training and that they must be alert during their duty assignments. To provide midnight shift employees with an equal opportunity to be alert during training, the **Employer** will attempt to provide training, whenever possible, during the regular duty hours of midnight shift employees. When factors prevent such scheduling, the **Employer** will not schedule midnight shift employees for training within eight hours of a normal workday.

11.8 Meal Provider

The **F.O.P.** shall be provided advance notice of meetings regarding staff food meal service changes and shall be allowed to have an **F.O.P.** representative present at said meeting(s). The **F.O.P.** representative will have a voice and a vote at the meeting.

ARTICLE 12: WAGES

12.1 Career Plan. Employees shall participate in a step plan which shall be known as the "Career Plan." Effective as provided herein, all employees shall be compensated in accordance with the pay plan attached as Appendix A. All employees shall progress, when eligible, on the pay plan.

A. Salary increase shall occur as follows:

- (1) A new step plan outlined in Appendix A effective October 1, 2024*;
- (2) A 8.5 % increase for all employees at each step of Appendix A effective October 1, 2025*;
- (3) A 7.0% increase for all employees at each step of Appendix A effective October 1, 2026*

*All salary increases will be effective the first day of the new pay period.

- (4) Upon successful completion of the field training program, employees in the classification of Corrections Officer Recruit at Step 1 of Appendix A shall advance to Corrections Officer, with a twelve (12) month probationary status and shall be compensated thereafter pursuant to their continuous service time as of their Corrections Officer Recruit date of hire pursuant to Appendix A.
- (5) As of October 1, 2024, new employees in the classification of Corrections Officer Recruit who 1) have completed a minimum of three years of service as a full-time correctional officer at a sheriff's office or corrections department in the State of Florida and hold an active Florida correctional certificate, or 2) have completed a minimum of three years of service as a full-time correctional officer in another state or at a federal agency and have completed the FDLE Equivalency of Training process for out-of-state officers and federal officers, shall be hired at Step 3 of the current pay plan. The employee will advance to the next step after one year based on the normal step progression. However, for promotional purposes, years of continuous service with the Jacksonville Sheriff's Office will be based on rules outlined in the Civil Service and Personnel Rules and Regulations.

B. Advancement Within the Career Plan:

The Director of the Department of Corrections shall recommend in writing to the City's Director of Employee Services the advancement in salary of each employee who has met the requirements as provided in this section. An employee's salary shall be advanced without retroactivity to the appropriate step on the Career Plan salary schedule as of the first pay period following the employee's completion of the applicable time of service as set forth in the Career Plan salary schedule, if the following conditions have been met:

- (1) The employee can perform the essential functions of his/her Corrections Classification:

Employees will be required to pass a physical ability test annually to be eligible for step movement. The test and standards in place as of June 7, 1999, shall be used and shall not be changed during the life of the agreement. Employees who initially fail the physical ability test shall be given one (1) year to pass the test and shall be given as many opportunities as necessary to successfully complete the test during that time frame. Employees will be eligible for step movement upon successful passage. The physical ability test shall be consistent with Uniform Federal Guidelines.

- (a) Step advancement shall not be delayed for an employee who cannot pass the physical ability test due to an injury in the line of duty, so long as the employee has not yet reached Maximum Medical Improvement (MMI). Once the employee has reached MMI, he/she shall be required to take and pass the physical ability test on the same basis as other employees in order to return to full duty.

Accommodation:

As to officers who have failed a physical ability test:

- (1) After the one (1) calendar year set aside for rehabilitation, if the officer is still unable to pass the physical ability test, the officer shall be considered unable to perform the officer's duties and if the officer does not qualify for accommodation as set forth in Paragraph (2) below, the officer shall be separated from

CORRECTIONS OFFICERS RANK & FILE

employment as provided for in the Civil Service and Personnel Rules and Regulations.

- (2) If the officer's inability to pass the physical ability test in a year is a result of an ADA qualifying condition, the officer shall be accommodated as provided in paragraph (3) below; otherwise, the officer shall be separated from employment pursuant to the Civil Service and Personnel Rules and Regulations if the officer cannot be accommodated by retirement or reassignment to non-sworn service.
- (3) An officer qualifying for accommodation in the sworn service pursuant to paragraph (2) above shall be subject to the following terms and conditions:

 - (a) JSO shall make available three (3) positions for the total Corrections ranks which will be designated as Permanent Light Duty positions for all of those officers who either qualify for accommodation under paragraph (2) above, or who qualify for permanent accommodations as a result of on-the-job injuries. Each such officer who wishes to be placed in a Permanent Light Duty position so designated must be able to perform the functions of that position with the exception of the ability to respond to an emergency.
 - (b) Any officer or supervisor who does not accept an accommodation into one of the Permanent Light Duty positions, or who does not opt for normal or disability retirement, or who does not accept an accommodation to a non-sworn position, shall be subject to separation in accordance with the Civil Service and Personnel Rules and Regulations as a result of that officer's inability to perform the essential functions of the job.
 - (c) In order to ensure the maximum availability of accommodation for qualifying officers, officers serving in a Permanent Light Duty position described in Paragraph (3)(A) above, may serve in that position until and unless the officer is "bumped."

CORRECTIONS OFFICERS RANK & FILE

"Bumping" occurs when the number of qualifying officers exceeds the number of available Permanent Light Duty positions. The criteria for bumping shall be as follows:

- (i) (A) Positions shall be determined first by giving priority to officers injured as a result of concerted corrections action. (B) Secondly, by giving priority to officers who are injured on-the-job; (C) and finally, by giving priority to officers who are most senior. An officer who is "bumped" may seek a non-sworn position as an accommodation, but if no other position is available, such officer shall be separated from employment pursuant to the Civil Service and Personnel Rules and Regulations.

(4) Appeal

The JSO believes that a policy implemented fairly and uniformly throughout the Department will provide consistency and fairness in its application. The JSO recognizes, however, that exceptional circumstances may exist which might warrant making limited exceptions to this policy based on the extraordinary rehabilitative efforts of an officer or for such other extraordinary circumstances demonstrated by an officer. Therefore, an officer may appeal to the Sheriff, in writing, for an exception to the application of any part of the accommodation.

- A.** The officer must show extraordinary circumstances that would warrant the granting of such exception.
- B.** The Sheriff shall respond in writing to the officer and the decision of the Sheriff shall be final.

- (2)** The employee's performance has been satisfactory for the preceding year. If the employee's performance has not been satisfactory, step advancement may be delayed for a period of six (6) months after which the employee's performance will be re-evaluated. If the employee's performance has not improved to an acceptable level, the step increase can be delayed six (6) additional months for re-evaluation.

CORRECTIONS OFFICERS RANK & FILE

- (3) When an employee's step advancement is delayed, he/she will be given written notice of the reason for the delay. An employee who does not agree may appeal the delay through the grievance procedure beginning at Step II. Alternatively, he/she may file a grievance with the Civil Service Board.
- (4) When the **Employer** determines that an employee whose step advancement was delayed pursuant to these provisions, is now eligible to receive that advancement, he/she will be placed on the salary step appropriate for his/her years of service, even if this would result in skipping one or more steps in the Career Plan.
- (5) All recommendations for salary advancement within grade shall bear the approval and recommendation of the employee's activity supervisor and commanding officer.
- (6) For purposes of determining step eligibility and progression through the pay plan, employees eligible to participate in the Career Plan shall have their time service calculated as set forth in 12.1(a) through (c). This time service calculation does not affect eligibility for promotion or seniority credits for ranking on eligibility lists.
 - (a) Employees who were hired before August 15, 1989, shall have their time of service calculated from the time they became employed with the City of Jacksonville/Duval County.
 - (b) Employees hired between August 15, 1989 and June 3, 2002, shall have their time of service calculated from the time they entered service as a Corrections Officer with the Office of the Sheriff.
 - (c) Employees hired on or after June 4, 2002 shall have their time of service calculated from the time they entered service as a Corrections Recruit with the Office of the Sheriff. Each current employee in this situation will move to the appropriate step based on date of service as a Corrections Recruit on the date of his/her next regularly scheduled step advancement following Council approval of this Agreement. The timing of all subsequent step movement will be based on service as a Corrections Recruit. There shall be no retroactive payments to employees as a result of this provision.

CORRECTIONS OFFICERS RANK & FILE

(7) Advancement within the Career Plan as specified in the above procedures shall require continuous, satisfactory service with the Office of the Sheriff.

(a) "Continuous service" shall mean all time served as a Jacksonville Sheriff's Office Corrections Officer regardless of whether such time has been broken by other employment. The time shall be deemed "continuous" once the broken service has been connected in accordance with the Civil Service and Personnel Rules and Regulations following reemployment.

(b) "Continuous service" shall not include any service as a police officer, service with any other public agency, service for private employer, or service in any City position other than Corrections Officer.

(8) Step movement will be effected during the term of this Agreement.

- 12.4** When an employee is returned to his/her former class during the probationary period following a promotion, his/her pay shall be restored to the rate in effect prior to promotion, as though a promotion had not been granted. In such event the employee shall be eligible for any increases the employee normally would have received had the employee not been promoted. This provision shall not apply to an employee who willingly accepts an appointment to a different civil service classification (such as Police Officer) and who later returns to a corrections classification.
- 12.5** When a transfer not involving promotion or demotion is made from one position to another with the same base pay rate, the base pay of the transferred employee shall remain unchanged.
- 12.6** In any case when an employee is qualified for and is temporarily required by the **Employer** to work in a higher class or position for at least one (1) hour on continuous duty, unless the employee is assigned to the higher classification for the purpose of on-the-job training for definite advancement purposes, such employee shall be paid for the time actually worked in the higher class at the rate for the step of the pay grade for the higher classification which is the same as the step to which the employee is assigned in the pay grade for his/her own classification. Incentives will be in the form of one-time payments. All eligible employees may participate in such a program and receive incentives under the same terms and conditions. If an employee referral program is established, the

Employer will provide the **Union** with at least two weeks written notice of the following information:

- Eligibility criteria for participation
- Referral criteria
- Time frame the program is to be effective
- Amount and nature of the incentive, criteria for payment, frequency of payment and actions necessary for employees to qualify

- B. It is further agreed that drug use has serious adverse effects upon users in the work force resulting in loss of productivity, posing a threat to the workplace and to public safety and security. Maintaining a healthy and productive work force and safe working conditions free from the effects of drugs are the goals of both the **Employer** and the **F.O.P.** It is understood that drug use creates a variety of workplace problems including increased injury on duty (IOD), increased absenteeism, and increased financial burdens on health and benefit programs. Criminal Justice work requires, and the safety of the public demands, total mental and physical functioning of members at all times. The Jacksonville Sheriff's Office has a responsibility in the interest of public safety to monitor the use and abuse by employees of controlled substances and other drugs/medicines.
- C. The **Employer** agrees to establish drug testing standards to balance the interests of the **Employer**, employees, and the welfare of the general public through a fair, confidential, and accurate drug testing program.
- D. Employees who feel that they are abusing drugs are encouraged to contact the Employee Assistance Program for help in overcoming this problem. Normal agency benefits such as the Employee Assistance Program, appropriate leave, and the group medical plan are available to aid in the rehabilitation process. Personnel assigned to the Employee Assistance Program will support employees in this process by providing referral to the appropriate agency suited to addressing the particular need of the employee.
- E. The sale, purchase, transfer, use, or possession of illegal drugs or drugs obtained illegally is a violation of state and federal criminal statutes

and, therefore, may result in termination. Possession, use, or being under the influence of alcohol on the job present a danger to the public, the employee involved and to other employees and therefore, may result in termination.

- F. In order to maintain the integrity of the Sheriff's Office and ensure public safety, the Jacksonville Sheriff's Office requires that all employees shall not:
1. Abuse legal drugs;
 2. Sell, purchase, transfer, use, or possess, illegal drugs or drugs obtained illegally;
 3. Report for work and/or use Sheriff's Office equipment, while under the influence of a legal drug taken as a medication to the extent that job performance would be affected.

25.2 Discussion

- A. Drug screening provides management with a method to assist in the detection of a possible problem so that it may be dealt with in the proper manner.
- B. Drug screening of Sheriff's Office employees is a deterrent to them from becoming involved with drugs. Additionally, it assists management in its efforts to detect drug problems within the Sheriff's Office. Drug screening provides an avenue for identifying a specific problem associated with drug use/abuse.
- C. Personnel are cautioned that drug screening is not an absolute indicator of drug use. It is a single indicator that must be combined with other information before a final determination is made. The drug screening program is interwoven with established Sheriff's Office policy as it is affected by administrative procedures, internal investigations, Law Enforcement Officers' Bill of Rights, criminal investigations, etc. The final determination (e.g. no action, disciplinary action, treatment or termination) is based on an accumulation of information and is consistent with the best interests of the Sheriff's Office and the employee.

25.3 Definition

- A. Controlled Substance - Any of the substances named in Schedules I

CORRECTIONS OFFICERS RANK & FILE

through V of Section 893.03 Florida Statutes and any "designer drugs" that may hereafter be prescribed by law and which are subject to manufacturing, distribution, preparation, dispensation and administrative controls.

- C.** Confirmation Test - An additional analytical procedure used to identify the presence of a specific drug or metabolite in a specimen. The confirmation test must be different in scientific principle from that of the initial test procedure. The confirmation method must be capable of providing requisite specificity, sensitivity, and quantitative accuracy.
- D.** Illegal Drug - Any drug or substance, including controlled substances, the possession of which without a prescription is defined as a violation of state or federal statutes; or any prescription drug that was not prescribed to the affected employee by a person licensed to issue such prescription.
- E.** Legal Drug - Any prescribed medication or any over the counter medication that has some medicinal value/purpose and is being used by the person for whom it was prescribed.
- F.** Substance Abuse - The excessive or erratic ingestion, consumption, inhalation, or injection of any illegal drug or legally-obtained drug or medicine not in prescribed amounts or at proper time intervals.

25.4 Responsibility for Reporting Legal Drug Use or Alcohol Abuse

- A.** Sheriff's Office employees using drugs or therapeutic treatments prescribed by a physician or other authorized health practitioner shall determine from the prescribing person whether the treatment prescribed has any effects which may interfere with the performance of their duties. If the treatment prescribed has such effects, employees shall inform their supervisors of that fact. Supervisors shall notify JSO Human Resources.
- B.** Any Sheriff's Office employee using legal over-the-counter non-prescribed drugs which in any way impair or affect their job performance is responsible for bringing this fact to the attention of his/her immediate supervisors on Form P-004. Information relating to the use of over the counter drugs can be removed at the request of the employee after it has been in the medical file for six (6) months, unless the usage of such medication is part of on-going treatment.
- C.** The supervisor of any employee, upon being informed that such employee is using over the counter or prescribed drugs which could interfere with the performance of his/her duties, shall make further inquiries to determine whether the employee is fit to perform those duties. Upon consultation with the employee's commanding officer, the decision will be made as to whether the employee is fit for duty. If unfit, the employee shall be placed on personal leave. Should the employee and the commanding officer not concur on the ability of the employee to perform his/her duties, the department staff duty officer will make the final determination. Information regarding the use of legal drugs being taken by an employee will be forwarded to the JSO Human Resources Division where it will be maintained in a confidential medical file.
- D.** All Sheriff's Office employees have an obligation to inform a supervisor or ranking officer if another employee is using drugs in violation of the law or Sheriff's Office Rules and Regulations.
- E.** If any employee knowingly ingests any drug in the performance of his/her duties, the supervisor on duty will be immediately notified and the incident reported on Form P-004. The supervisor will see that the employee is provided with immediate medical attention if necessary. The employee will be placed on an appropriate duty status. The incident will be documented with the initiation of Form P-004 to be followed by a detailed report from the employee's commander through channels to the Sheriff. Every effort should be made to avoid such ingestion. Unless the employee's life is endangered, he/she will

refrain from the consumption, ingestion, injection, or inhalation of a substance which may either physically or mentally be dangerous to employees.

- F. Employees knowingly subjected to the passive inhalation of a drug, such as marijuana, will submit a Form P-004 to the supervisor on duty. The report will indicate the substance the individual was exposed to, the period of time exposed, and give a brief statement depicting the necessity for the exposure. The report will be forwarded to the Sheriff for review.

- A. The **Employer** shall post a notice of the department's drug testing policy on bulletin boards in areas that are accessible to employees.
- B. Urine testing of employees can be an effective means by which to identify those in need of counseling, treatment, or disciplinary action. The testing program is intended to supplement, not replace, other means by which the use of drugs can be detected.
- C. Employees will be required to participate in the drug testing program under the following conditions:
 - (1) Reasonable Suspicion: This is based on a belief that an employee is using or has used drugs/alcohol in violation of the **Employer's** policy drawn from specific, objective, and articulable facts and reasonable inferences drawn from those facts in light of experience. The basis for an immediate supervisor's requesting a drug/alcohol test founded on reasonable suspicion should consider among such facts and inferences:

- (9) As part of a rehabilitation program (mutually agreed to by the affected employee and the Sheriff's Office Administration).
- (10) As a result of prior disciplinary proceedings against the employee related to the use of drugs. (Such testing shall be conducted by the Internal Affairs Unit with the approval of, and in coordination with, the JSO Chief of Human Resources. Employees will also be advised of all drugs for which the **Employer** will test, described by brand or common names as applicable, as well as by chemical names. Information regarding the use of prescription or non-prescription drugs taken by the employee will be presented in a written communication that will be maintained in a confidential medical file in the JSO Human Resources Division. The ingestion of any prescription or non-prescription drug by an employee shall not preclude the administration of the drug test, but shall be taken into account in interpreting any confirmed positive results.

- C. Individuals responsible for conducting drug tests are acting under the direct authority of the Sheriff. Employees being tested shall cooperate fully. Any attempt to alter or tamper with the specimen, its container, or any mechanical device, instrument, or document by any individual is grounds for termination and/or prosecution under applicable Florida Statutes.

 - (2) Random numbers assigned to employees will be maintained in a confidential file under the direct supervision of the JSO Chief of Human Resources.
 - (3) Specimens will not be collected at any of the correctional housing areas and the specimen container will not reveal the name of the contributing employee.

25.9 Disciplinary Procedures

- A.** Any employee who refuses to submit to a drug test or whose confirmation drug test is found to be positive is subject to disciplinary action. - B.** The employee may be either immediately suspended or reassigned pending the results of the confirmation test for the use of illegal drugs.
- C.** Positive confirmation tests for illegal drugs shall result in the immediate suspension of an employee which may be followed by termination proceedings. In appropriate cases, every effort will be made to help the employee deal with a legal drug problem by proper referral to the Sheriff's Employee Assistance Program. However, if this effort fails or is obviously inappropriate given the nature of the problem, appropriate disciplinary action shall be initiated.

- G. The **Employer** shall not discharge or discipline an employee solely upon voluntarily seeking treatment, while under the employ of the **Employer**, for a drug related problem if the employee has not previously tested positive for drug use, entered an Employee Assistance Program for drug related problems, or entered a drug rehabilitation program. However, the **Employer** shall terminate an employee when the presence of illicit drugs is confirmed. Employees who have been tested may not use this aspect of the agreement as a means of protection from disciplinary action.

- M. Every effort will be made to ensure the investigation of an employee is conducted in an unbiased manner and with total impartiality. To this end and in recognition of a changing workload, if a lieutenant is charged with conducting an investigation and their workload is such as to prevent conducting a timely investigation, they may request to the appropriate Assistant Chief to have the investigation re-assigned.

ARTICLE 27: GRIEVANCE PROCEDURE

27.1 A grievance is defined as a dispute alleging a violation of this Agreement. Any grievance filed shall refer to the provision(s) alleged to have been violated, shall adequately set forth the facts pertaining to the alleged violation, and shall set forth the remedy requested. The grievance will systematically follow the steps of the grievance procedure contained in this article, except as otherwise provided for in Section 447.401, Florida Statutes.

Grievances challenging demotion with loss of pay, suspension with loss of pay or termination shall be filed at Step IV.

The **F.O.P.** shall not solicit grievances on **Employer** property or during work hours.

27.2 Steps in the Grievance Procedure

A. STEP I:

A grievance must be brought forward as soon as it might reasonably have become known to exist. An employee shall present a grievance to his/her immediate supervisor (sergeant) within ten (10) working days after the employee either knows of or should have known of the grievance. The employee and the supervisor shall meet and attempt to resolve the grievance. The aggrieved employee may, at his/her request, be accompanied at this meeting by a designated representative. Discussions will be informal for the purpose of settling the dispute in the simplest and most direct manner. The supervisor shall reach a decision and communicate it orally or in writing to the aggrieved employee within ten (10) working days from the date of the meeting held to discuss the grievance.

B. STEP II:

If the grievance is not settled at Step I, the aggrieved employee shall reduce the grievance to writing on a grievance form to be mutually developed by the parties, and shall present the written grievance to the division chief, within ten (10) working days from the date of the decision at Step I. The division chief or designee, shall obtain the facts concerning the alleged grievance and shall, within ten (10) working days of receipt of the written grievance, schedule a meeting between himself/herself or his/her designee and the aggrieved employee. The aggrieved employee may, at his/her request, be accompanied at this meeting by his/her designated representative.

CORRECTIONS OFFICERS RANK & FILE

The division chief or designee shall notify the aggrieved employee of his/her decision in writing, with a copy to the **F.O.P.**, not later than ten (10) working days following the meeting date.

C. **STEP III:**

If the grievance is not settled at Step II, the aggrieved employee shall, within ten (10) working days from the date of the decision at Step II, forward the written grievance to the Director of Corrections. The Director of Corrections, or designee, shall meet with the aggrieved employee and/or his/her designated representative within ten (10) working days after receipt of the grievance. The Director of Corrections, or designee, shall furnish a copy of the decision in writing to the aggrieved employee, with a copy to the **F.O.P.**, within ten (10) working days after the meeting.

D. **STEP IV:**

If the grievance is not settled at Step III, the aggrieved employee shall, within ten (10) working days from the date of the decision at Step III, forward the written grievance to the Sheriff. The Sheriff, or designee, shall meet with the aggrieved employee and/or designated representative within ten (10) working days after receipt of the grievance. The Sheriff, or designee, shall furnish a copy of the decision in writing to the aggrieved employee, with a copy to the **F.O.P.**, within ten (10) working days after the meeting.

27.3 Rules for Grievance Processing

- A. Time limits at any stage of the grievance procedure may be extended by written mutual agreement of the parties involved at that step.
- B. When a written grievance is presented, the **Employer's** representative shall acknowledge receipt and the date thereof in writing.
- C. A grievance not advanced to the next step within the time limit provided shall be deemed withdrawn and settled on the basis of the decision most recently given. Failure on the part of the **Employer's** representative to answer within the time limit set forth at any step will entitle the employee to proceed to the next step.
- D. In computing time limits under this article, Saturdays, Sundays, and holidays shall not be counted.

- E. When the settlement of any grievance includes a retroactive adjustment, such adjustment shall be limited to sixty (60) calendar days prior to the date of the filing of the grievance.
- F. Nothing herein shall prohibit the **Employer** and the **F.O.P.** from mutually agreeing to waive any or all steps in the grievance procedure in order to expedite the processing of a grievance.
- G. Nothing herein shall require the **F.O.P.** to process the grievance of a non-member.
- H. The resolution of a grievance prior to an arbitration award shall not establish a precedent binding on either the **Employer** or the **F.O.P.** in other cases.
- I. A class action grievance may be filed by the **F.O.P.** on behalf of two (2) or more bargaining unit members. A class action grievance shall be initiated at Step III of the procedure.
- J. No disciplinary grievance may be overturned by a supervisor or other commanding officer below the level at which the grievable decision was made.

27.4 Arbitration

- A. If the grievance is not settled in accordance with the applicable provisions of Section 27.2(d), the aggrieved employee or the **F.O.P.** may request arbitration by serving written notice of intent to arbitrate to the JSO Chief of Human Resources with a copy to the City's Director of Employee Services no later than thirty (30) calendar days after receipt of the **Employer's** final Step response (in Step IV). The notice of intent to arbitrate must be accompanied by a written statement identifying the specific provision(s) of the Agreement at issue, and the remedy requested. If the grievance is not appealed to arbitration within the thirty (30) calendar days, the **Employer's** final Step IV answer shall be final and binding upon the aggrieved employee, the **F.O.P.**, and the **Employer**.
- B. Upon appeal to arbitration, the **F.O.P.** or employee may, in the written notice for arbitration, include the names of two (2) certified Federal Mediation and Conciliation Services (FMCS) or American Arbitration Association (AAA) arbitrators, either of whom is acceptable to the **F.O.P.** or the employee to arbitrate the grievance. If the two (2) parties involved in the selection do not mutually agree

CORRECTIONS OFFICERS RANK & FILE

on either of the names initially submitted, the FMCS or AAA shall be requested by the **Employer** to provide a panel of five (5) arbitrators. After the panel is received from the FMCS or AAA, the **Employer** and the **F.O.P.** shall meet and the party requesting the arbitration shall strike the first name. The parties shall then alternatively strike names until only one (1) name remains. The name remaining shall be the impartial arbitrator. After notification of the FMCS or AAA and contact with the arbitrator, the date for the arbitration hearing will be set as soon as practical following the date the arbitrator is notified of his/her selection to act as arbitrator. Notwithstanding the provisions of this section, an arbitrator other than outlined above, may be mutually selected by the parties to the arbitration proceedings.

- C. Unless otherwise agreed by the parties, the arbitration hearing will be scheduled not earlier than thirty (30) days from the date that the arbitrator is notified of his/her selection
- D. At the conclusion of the arbitration hearing, post-hearing briefs may be filed at the request of either party or at the request of the arbitrator. The arbitrator shall have thirty (30) calendar days after the hearing is concluded or after receipt of briefs, whichever is later, to render his/her award and findings of fact.
- E. The decision of the arbitrator relating to the interpretation, enforcement, or application of the provisions of this Agreement shall be final and binding on the aggrieved employee, the **F.O.P.**, and the **Employer**.
- F. The arbitrator shall have no authority to change, amend, add to, subtract from, or otherwise supplement or alter the express terms of this Agreement, or to usurp any authority or responsibility lawfully granted to the **Employer**.
- G. The arbitrator shall consider only the specific issue(s) submitted to him/her in writing by the parties, which question(s) must be actual and existing. The arbitrator may not issue declaratory or advisory opinions. The arbitrator shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration, or any matter which is not specifically covered by this Agreement.
- H. All testimony given at the arbitration hearing will be under oath. The decision of the arbitrator shall be exclusively based upon specific findings of fact, and conclusions based on those findings of fact. In

CORRECTIONS OFFICERS RANK & FILE

rendering his/her decision, the arbitrator shall only consider the written, oral, or documentary evidence submitted to him/her at the arbitration hearing.

- I. It is specifically and expressly understood that taking a grievance to arbitration constitutes an election of remedies and waiver of any and all rights by the appealing party and all persons it represents.
- J. The cost and expenses incurred by the arbitrator shall be shared equally by the parties involved in the arbitration proceeding. If a transcript of the proceedings is requested, the requesting party shall pay for it.

ARTICLE 28: LEGAL LIABILITY

- 28.1 In any suit, legal action or proceeding, wherein an employee covered by this Agreement is sued for damages, compensatory and/or punitive, which arises from his/her official duties, the **Employer** hereby agrees that it shall comply with the provisions of, and the responsibilities pertinent to, Section 111.07, Florida Statutes. An employee reasonably afforded representation pursuant to Florida Statute 111.07, who elects to retain counsel of his/her choice, shall be responsible for the cost of said representation.
- 28.2 It is understood and agreed that employees shall furnish written notification of their intent to file suit against a third party in any court of law, if the suit arises out of the employee's official duties. Notice shall be provided through the chain of command to the Undersheriff, not less than five (5) days before the actual filing date.
- 28.3 When any employee is involved in an accident with any vehicle owned, leased or rented by the **Employer**, and said accident is solely a result of equipment failure or defect unconnected with any negligence or misconduct of the employee, the employee shall not be disciplined by the **Employer** for the accident or results thereof. Any alleged equipment failure or defect must be reported at the time of the accident and included in the appropriate report. An employee's failure to follow the Written Directives applicable to vehicle care and maintenance shall nullify the provisions of this section.

ARTICLE 29: SEVERABILITY

In the event any article, section, or portion of this Agreement should be held invalid or unenforceable by any court of competent jurisdiction, such decision shall apply only to the specific article, section, or portion thereof specified in the court's decision. Upon request of either party, the parties agree to meet for the purpose of negotiating a mutually agreeable substitute for that specific article, section, or portion thereof. All other articles, sections, and portions of this Agreement shall remain valid and enforceable.

ARTICLE 30: ENTIRE AGREEMENT

- 30.1** The parties acknowledge that during negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. This section shall not be construed to in any way restrict the parties from commencing negotiations under the applicable law on any succeeding Agreement to take effect upon termination of this Agreement.
- 30.2** This Agreement shall be effective from October 1, 2024 through September 30, 2027.

ARTICLE 31: EMERGENCY LEAVE DONATIONS

- 31.1 A.** When an employee has exhausted all holidays and personal leave due to illness or off-duty injury and will be placed on leave without pay status, other employees may donate leave time (Annual Leave, Compensatory Leave, Holiday) to the ill or injured employee provided each donor has at least ten (10) days leave accrued.

Employees donating compensatory leave may donate no more than eight (8) hours of their compensatory leave for each ill or injured employee per six (6) month period.

- B.** If the injury or illness is subsequently reclassified to workers' compensation, all donated leave, whether used or unused, will be returned to the original donor(s).
- C.** To administer this plan, the donating employees will report to the JSO Human Resources Division and submit their leave requests which will be credited to the ill or injured employee or until he/she returns to duty.

ARTICLE 32: SHIFT ASSIGNMENTS

32.1 The purpose of this article is to define the various shift assignments within the Jacksonville Sheriff's Office, Department of Corrections.

32.2 Support Staff

A. There are assignments within the Jacksonville Sheriff's Office which require specialized skills and assignments that are considered more desirable. Support Staff schedules are based on a regular business week schedule, but may include, but are not limited to eight (8) or (10) hour work schedules. When an assignment opening occurs, the **Employer** will advertise the position availability by written announcement throughout the Corrections Department. The written advertisement will list the skills, knowledge, abilities and education/experience requirements for the position. Employees who wish to be considered for the position will complete a Request for Transfer (P-548). The request shall be forwarded through the chain of command to the JSO Human Resources Division.

The criteria to be used in selecting an individual for an advertised assignment shall include:

- (1) Skills, knowledge, and abilities the applicant possesses that may be required for the assignment,
 - (2) Formal education requirements,
 - (3) Length of experience as a member of the Department,
 - (4) No suspensions within the last year, and
 - (5) Overall satisfactory rating on the most current performance evaluation.
- B. The selection process shall be applied to all eligible applicants, and all applicants shall be notified of the results. The **Employer** will complete the selection process within sixty (60) days of a position becoming vacant.
- C. The **F.O.P.** recognizes that in certain circumstances it may be necessary to temporarily fill a vacancy prior to completion of the selection process. The **Employer** will make every effort to limit these instances.

32.3 Operational Shifts

- A.** Corrections personnel not assigned to the support staff will be permanently assigned to either the three squad (red, blue, and green) work schedules of 7-2, 8-4 or the two (2) squad (blue and gold in effect as of the time and date of this agreement) work schedule 4-5, 5-4, 5-5 (operational shifts). The structure of the permanent shifts will consist of three, eight-hour work periods with an attendant fifteen-minute roll call. Shift starting times will be set at the sole discretion of the Employer. However, the employer agrees that any change to an entire watch start time that would affect shift differential must be mutually agreed by the FOP and Employer. Employees shall be notified of any change to their permanent shift starting time at least thirty (30) calendar days prior to the change being implemented. The thirty (30) day notification can be waived if both parties agree.

However, in times of declared emergency, the **Employer** reserves the right to adjust the permanent shift structure as necessary to meet organizational needs, including ten-hour shifts and various shift start times.

- B.** The assignment of personnel to the permanent shifts will be performed with the following conditions:
- (1) Seniority will be based upon the employee's date of employment as a Corrections Officer, as recorded in the employee's official personnel record.
 - (2) In the event of a tie in the date of employment, the employee that submitted his/her request first (by dated electronic email request to facility Assistant Division Chief) will be used as the tiebreaker.
 - (3) If there is a vacancy at any correctional facility on an operational shift, an employee may bid with his/her full seniority on the vacancy.
 - (4) Due to the necessity of having a minimum staffing requirement in specialized positions (females, intoxilyzer operator, etc.), it may be necessary to assign personnel already performing these functions to these positions. These positions will be filled based on seniority. This means that an officer who possesses the specialized skills or specific need of the agency will be selected for these positions based upon his/her seniority for the position in

question.

(5) The carrying of vacancies on specific shifts will be at the prerogative of Management.

C. The **Employer** shall insure that each employee is granted at least one weekend off per month whenever this can be accomplished without interfering with the efficient operation of the Department.

32.4 Transferring from Support Staff to Operational Staff

A. If any employee who is assigned to the support staff desires to return to shift work, the employee may bid on any vacant operational positions at any correctional facility with his/her full seniority.

B. If, for any reason, it becomes necessary to abolish a position on the support staff, the affected employee may bid on any vacant operational position at any correctional facility with his/her full seniority.

32.5 Management reserves the right to make personnel assignments as necessary to successfully complete the mission of the organization, to include assignments based upon specific employee and/or organizational needs. Any employee dissatisfied with his/her assignment or transfer may grieve the assignment pursuant to the grievance procedure at Step III, but any decision at that level shall be final, and shall not be subject to arbitration.

32.6 Employees may mutually agree to exchange days or shifts on a temporary basis with prior written approval of Management, provided there is no penalty to the **Employer**.

32.7 Except in emergencies, employees will not be required to work more than two (2) different shifts in a work week.

ARTICLE 33: ARREST AND BOOKING ADMINISTRATIVE FEE

- 33.1** Effective October 1, 2018, the **Employer** assigns all future City of Jacksonville Charter Part A Article 16 Section 16.06 Arrest and Booking Administrative fees to the **F.O.P.** for the **F.O.P.'s** legal use.

ARTICLE 34: BILL OF RIGHTS

- 34.1** Whenever a corrections officer is under investigation and subject to interrogation or interview by members of his/her agency for any reason which could lead to disciplinary action, demotion, or dismissal, the provisions of Section 112.532, Florida Statutes, (Law enforcement officers' and correctional officers' rights) in effect at that time shall apply.

If Section 112.532, Florida Statutes, is repealed, then such interrogation or interview shall comply with the conditions as they were set forth in Section 112.532, Florida Statutes, effective: July 1, 2023, a copy of which is attached as INSERT.

INSERT for Article 11 Bill of Rights

112.532. Law enforcement officers' and correctional officers' rights **Effective: July 1, 2023**

All law enforcement officers and correctional officers employed by or appointed to a law enforcement agency or a correctional agency shall have the following rights and privileges:

(1) Rights of law enforcement officers and correctional officers while under investigation. --Whenever a law enforcement officer or correctional officer is under investigation and subject to interrogation by members of his or her agency for any reason that could lead to disciplinary action, suspension, demotion, or dismissal, the interrogation must be conducted under the following conditions:

(a) The interrogation shall be conducted at a reasonable hour, preferably at a time when the law enforcement officer or correctional officer is on duty, unless the seriousness of the investigation is of such a degree that immediate action is required.

(b) The interrogation shall take place either at the office of the command of the investigating officer or at the office of the local precinct, police unit, or correctional unit in which the incident allegedly occurred, as designated by the investigating officer or agency.

(c) The law enforcement officer or correctional officer under investigation shall be informed of the rank, name, and command of the officer in charge of the investigation, the interrogating officer, and all persons present during the interrogation. All questions directed to the officer under interrogation shall be asked by or through one interrogator during any one investigative interrogation, unless specifically waived by the officer under investigation.

(d) The law enforcement officer or correctional officer under investigation must be informed of the nature of the investigation before any interrogation begins, and he or she must be informed of the names of all complainants. All identifiable witnesses shall be interviewed, whenever possible, prior to the beginning of the investigative interview of the accused officer. The complaint, all witness statements, including all other existing subject officer statements, and all other existing evidence, including, but not limited to, incident reports, GPS locator information, and audio or video recordings relating to the incident under investigation, must be provided to each officer who is the subject of the complaint before the beginning of any investigative interview of that officer. An officer, after being informed of the right to review witness statements, may voluntarily waive the provisions of this paragraph and provide a voluntary statement at any time.

(e) Interrogating sessions shall be for reasonable periods and shall be timed to allow for such personal necessities and rest periods as are reasonably necessary.

(f) The law enforcement officer or correctional officer under interrogation may not be subjected to offensive language or be threatened with transfer, dismissal, or disciplinary action. A promise or reward may not be made as an inducement to answer any questions.

(g) The formal interrogation of a law enforcement officer or correctional officer, including all recess periods, must be recorded on audio tape, or otherwise preserved in such a manner as to allow a transcript to be prepared, and there shall be no unrecorded questions or statements. Upon the request of the interrogated officer, a copy of any recording of the interrogation session must be made available to the interrogated officer no later than 72 hours, excluding holidays and weekends, following said interrogation.

(h) If the law enforcement officer or correctional officer under interrogation is under arrest, or is likely to be placed under arrest as a result of the interrogation, he or she shall be completely informed of all his or her rights before commencing the interrogation.

(i) At the request of any law enforcement officer or correctional officer under investigation, he or she has the right to be represented by counsel or any other representative of his or her choice, who shall be present at all times during the interrogation whenever the interrogation relates to the officer's continued fitness for law enforcement or correctional service.

(j) Notwithstanding the rights and privileges provided by this part, this part does not limit the right of an agency to discipline or to pursue criminal charges against an officer.

(2) Complaint review boards.--A complaint review board shall be composed of three members: One member selected by the chief administrator of the agency or unit; one member selected by the aggrieved officer; and a third member to be selected by the other two members. Agencies or units having more than 100 law enforcement officers or correctional officers shall utilize a five-member board, with two members being selected by the administrator, two members being selected by the aggrieved officer, and the fifth member being selected by the other four members. The board members shall be law enforcement officers or correctional officers selected from any state, county, or municipal agency within the county. There shall be a board for law enforcement officers and a board for correctional officers whose members shall be from the same discipline as the aggrieved officer. The provisions of this subsection shall not apply to sheriffs or deputy sheriffs.

(3) Civil suits brought by law enforcement officers or correctional officers.--Every law enforcement officer or correctional officer shall have the right to bring civil suit against any person, group of persons, or organization or corporation, or the head of such organization or corporation, for damages, either pecuniary or otherwise, suffered during the performance of the officer's official duties, for abridgment of the officer's civil rights arising out of the officer's performance of official duties, or for filing a complaint against the officer which the person knew was false when it was filed. This section does not establish a separate civil action

against the officer's employing law enforcement agency for the investigation and processing of a complaint filed under this part.

(4) Notice of disciplinary action; copy of and opportunity to address contents of investigative file; confidentiality.—

(a) A dismissal, demotion, transfer, reassignment, or other personnel action that might result in loss of pay or benefits or that might otherwise be considered a punitive measure may not be taken against any law enforcement officer or correctional officer unless the law enforcement officer or correctional officer is notified of the action and the reason or reasons for the action before the effective date of the action.

(b) Notwithstanding s. 112.533(2), whenever a law enforcement officer or correctional officer is subject to disciplinary action consisting of suspension with loss of pay, demotion, or dismissal, the officer or the officer's representative shall, upon request, be provided with a complete copy of the investigative file, including the final investigative report and all evidence, and with the opportunity to address the findings in the report with the employing law enforcement agency before imposing disciplinary action consisting of suspension with loss of pay, demotion, or dismissal. The contents of the complaint and investigation shall remain confidential until such time as the employing law enforcement agency makes a final determination whether or not to issue a notice of disciplinary action consisting of suspension with loss of pay, demotion, or dismissal. This paragraph does not provide law enforcement officers with a property interest or expectancy of continued employment, employment, or appointment as a law enforcement officer.

(5) Retaliation for exercising rights.--No law enforcement officer or correctional officer shall be discharged; disciplined; demoted; denied promotion, transfer, or reassignment; or otherwise discriminated against in regard to his or her employment or appointment, or be threatened with any such treatment, by reason of his or her exercise of the rights granted by this part.

(6) Limitations period for disciplinary actions.--

(a) Except as provided in this subsection, disciplinary action, suspension, demotion, or dismissal may not be undertaken by an agency against a law enforcement officer or correctional officer for any act, omission, or other allegation or complaint of misconduct, regardless of the origin of the allegation or complaint, if the investigation of the allegation or complaint is not completed within 180 days after the date the agency receives notice of the allegation or complaint by a person authorized by the agency to initiate an investigation of the misconduct. If the agency determines that disciplinary action is appropriate, it shall complete its investigation and give notice in writing to the law enforcement officer or correctional officer of its intent to proceed with disciplinary action, along with a proposal of the specific action sought, including length of suspension, if applicable. Notice to the officer must be provided within 180 days after the date the agency received notice of the alleged misconduct, regardless of the origin of the allegation or complaint, except as follows:

CORRECTIONS OFFICERS RANK & FILE

1. The running of the limitations period may be tolled for a period specified in a written waiver of the limitation by the law enforcement officer or correctional officer.
2. The running of the limitations period is tolled during the time that any criminal investigation or prosecution is pending in connection with the act, omission, or other allegation of misconduct.
3. If the investigation involves an officer who is incapacitated or otherwise unavailable, the running of the limitations period is tolled during the period of incapacitation or unavailability.
4. In a multijurisdictional investigation, the limitations period may be extended for a period of time reasonably necessary to facilitate the coordination of the agencies involved.
5. The running of the limitations period may be tolled for emergencies or natural disasters during the time period wherein the Governor has declared a state of emergency within the jurisdictional boundaries of the concerned agency.
6. The running of the limitations period is tolled during the time that the officer's compliance hearing proceeding is continuing beginning with the filing of the notice of violation and a request for a hearing and ending with the written determination of the compliance review panel or upon the violation being remedied by the agency.

(b) An investigation against a law enforcement officer or correctional officer may be reopened, notwithstanding the limitations period for commencing disciplinary action, demotion, or dismissal, if:

1. Significant new evidence has been discovered that is likely to affect the outcome of the investigation.
2. The evidence could not have reasonably been discovered in the normal course of investigation or the evidence resulted from the predisciplinary response of the officer.

Any disciplinary action resulting from an investigation that is reopened pursuant to this paragraph must be completed within 90 days after the date the investigation is reopened.

(7) Rights of law enforcement officers and correctional officers relating to a brady identification system.--

(a) A law enforcement officer or correctional officer has all of the rights specified in [s. 112.536](#) relating to the inclusion of the name and information of the officer in a Brady identification system.

(b) A law enforcement officer or correctional officer may not be discharged, suspended, demoted, or otherwise disciplined, or threatened with discharge, suspension, demotion, or other discipline, by his or her employing agency solely as a result of a prosecuting agency determining that the officer's name and information should be included in a Brady identification system. This paragraph does not prohibit an officer's employing agency from discharging, suspending, demoting, or taking other disciplinary action against a law enforcement officer or correctional officer based on the underlying actions of the officer which resulted in his or her name being included in a Brady identification system. If a collective

bargaining agreement applies, the actions taken by the officer's employing agency must conform to the rules and procedures adopted by the collective bargaining agreement.
