Indoor Programs

Florida's Living Symbols

Here's your chance to learn more about the plants and animals chosen to serve as official symbols of our state. Non-living specimens will be viewed.

Animals at Risk

Learn about Florida's endangered and threatened wildlife. Non-living specimens will be shown.

Civil War Changes

Learn about how the four years of the Civil War (1861-1865) changed the landscape of Northeast Florida and its effect on the area's flora and fauna as well as the people.

Creature Comforts

Ever wonder why an animal lives where it does? This program will help answer that question. Animal pelts and replica skulls will be used.

Her History

In honor of Women's History month, join us for a brief introduction to women of the Civil War period and those in natural sciences.

Reptiles for Real

Learn more about the reptiles of Northeast Florida by studying living and non-living specimens of turtles and snakes.

Marsh Mammals

Learn about the varieties of mammals that live in a marsh habitat. Non-living specimens will be shown.

Florida's Ancient Animals

Join us for a discussion of the animals that lived in prehistoric Florida. We'll examine replica teeth from Mammoth, Mastodon and Megalodon.

Wild Canines & Felines of Florida

Join us for a discussion and comparison of cat and dog family members that live wild in Florida. Animal pelts and replica skulls will be used.
