Program Summary:

The Jacksonville Re-Entry Center (JREC) is the required first stop for all ex-offenders returning to Duval County after incarceration, to ensure proper and lawful re-entry into the community. The expansion of this program will help to ensure that ex-offenders make successful transitions back into the community and do not return to a life of crime.

JREC ACTIVITIES:

JREC staff presented to the Lake County Public Safety Coordinating Council as well as the Lake County Re-entry committee. Twenty three members from Seminole County Re-entry Council visited JREC. Request for JREC Portal information was shared with Osceola and Miami Dade County Re-entry team members. Two faith based partners volunteered to provide employability skills as well as Anger Management classes pre-release at Montgomery Correctional Center. A student intern from UNF will be implementing a project over the summer at JREC which will conclude with a mural painted in the waiting room of JREC.

- Facilitate former offender’s sustained engagement in treatment, mental health and supportive health services
- Identify stable housing through JREC staff networking with several agencies and community providers that provide housing to ex-offenders such as, boarding houses, income based apartments and when needed financial assistance to secure such
- Continue to address the obstacles that make it difficult for ex-offenders to obtain and retain employment at a living-wage level
- Provide opportunities for inmates exiting prison or jail to obtain appropriate forms of identification;

Case Management -Reentry Transition Plans: In coordination with State of Florida, Department of Corrections facilities, the JREC Resource Specialists will develop a reentry plan for those meeting the criteria which states *clients are defined as offenders who were residing in Jacksonville, sentenced in Jacksonville and are returning to Jacksonville upon release from incarceration.*

Facilitate Transportation: The JREC provides a limited number of bus tickets for ex-offenders who are seeking employment.

Parole/Probation Coordination: Probation officers and resource specialists will work hand-in-hand to provide intensive, individualized assistance needed by many of the ex-offenders.
