Program Strategy: Keeping Kids Safe Productive

Program Summary:

TEAM UP is an after school program that provides academic instruction, tutoring and support, as well as, enrichment activities, such as field trips, dance, sports and arts to low income, at risk kids. These programs are housed in elementary and middle schools, and provide services directly after school for approximately 3 hours per day, five days per week.

Program Overall Status:

Program has been open for 103 days
The contractual ADA is 138
ADA for February is 133
Enrolled- 323
Students attending 30 days or more is 194
Students attending 60 days or more is 128

Successes: The program has worked to increase enrollment on Fridays by incorporating ideas generated from the students on ways to increase the ADA. TEAM UP also celebrated Black History Month by having a dynamic Black History program held on February 22nd.

Challenges: DCPS has provided funds to hire a Compass Odyssey instructor but trying to hire another teacher to fill in the spot of the teacher that took the CO position has taken sometime. We just received clearance after two weeks.
