Program Strategy: Keeping Kids Safe Productive				
Program Summary: TEAM UP is an after school program that provides academic instruction, tutoring and support, as well as, enrichment activities, such as field trips, dance, sports and arts to low income, at risk kids. These programs are housed in elementary and middle schools, and provide services directly after school for approximately 3 hours per day, five days per week.				
Program Overall Status: # of days open - 104 Contractual ADA - 101 ADA Current Month – 94.4 Enrollment Year to Date - 152 # 60 day Attendees - 101				
Successes: Mrs. Parsons worked really well with the 4 th graders in preparation for FCAT Writes. We are confident all of her hard work will pay off. We held a Valentine's Day dance which helped to raise money for the safety patrols to go to Universal Studios at the end of the year. We had a DJ and had free popcorn donated from the movie theater. The students had a great time. We have also started new groups for the students every Friday in addition to the regular enrichment activities every week. We have added dance, poetry, ultimate frisbee, chess club, and arts and crafts. Challenges: Our ADA went a little lower than normal this month. We have had several students out with illnesses, and have been suspended from school, which impacted our TEAM UP attendance. We are planning on recruiting a few more students in March for FCAT help.
