Program Strategy: Keeping Kids Safe Productive				
Program Summary: TEAM UP is an after school program that provides academic instruction, tutoring and support, as well as, enrichment activities, such as field trips, dance, sports and arts to low income, at risk kids. These programs are housed in elementary and middle schools, and provide services directly after school for approximately 3 hours per day, five days per week.				
Program Overall Status: # of days open - 120 Contractual ADA - 101 ADA Current Month - 91 Enrollment Year to Date - 150 # 60 day Attendees - 105				
Successes: (1) This week will start the third week for FCAT preparation. So far the 3 rd -5 th grade students have had an extra hour of academics Monday through Friday since March 11 th . The teachers and students have been putting in a lot of effort in order to make that extra hour productive. We are planning to do something nice for the teachers as a thank for all of the extra effort they are putting in.(2) In addition, the enrichment staff and myself had an Easter Egg Hunt prior to Spring Break which was a lot of fun for the students. We had over 500 eggs with tons of candy and special eggs with prizes for the lucky students who were able to find them. (3) I am working with the teacher who sponsors the Safety Patrols in order to put on a dance for the students after FCAT on April 26 th . Challenges: We had a few low attendance days as we neared Spring Break. Other than the ADA, there are no other challenges at this time. We are looking to add a few more students in April.
