<u>Successes</u>				
The TEAM-UP program at Martin L. King Jr. F.A.M.E Academy for the month of February was very successful in preparing for Fair/F-CAT Testing. The writing portion began on the 7 <sup>th</sup> for 3 <sup>rd</sup> & 4 <sup>th</sup> graders. According to Benchmark data the 5 <sup>th</sup> graders are scoring higher since there last testing. All grade levels are continuing to receive the extra help from SAI Funds from DCPS. Principal Brown and the tutors hired through SAI Funds have been a valuable asset to the TEAM UP program. With all the extra help during the month of February the program was able to reach students that needed the extra time and help and encouragement to do their very best. In the enrichment portion of the program we just implemented our outdoor fitness activities. The students get plenty of fresh air and exercise, which includes team building skills, muscle strengthening and enforces our Anti-Obesity program. And most of all the students enjoy it!				
<u>Challenges</u>				
Continuing to get more parent involvement in the program.
