Successes

The month of October was successful with 100% in Safety of students & staff in TEAM-UP at Martin L. King F.A.M.E Academy. This month we began our 5<sup>th</sup> grade Chorus, Cheerleading and continuation of Jags Honor Rows. Martin L. King TEAM UP students and Parents really enjoyed Lights On After school Celebration. It was great opportunity for everyone to meet and enjoy all the festivities with other TEAM UP and Community Based sites. The Student Advisory Board was also created and addressed challenging issues such Anti-Bullying, Peer pressure and Drugs. The meeting was successful and followed with a pizza party/ dance during TEAM UP enrichment. Lead Teacher Mrs. Nadege Richards collaborated with TEAM UP Teachers and created outstanding lesson plans from K-5 for STEM. We're privileged to have Teachers with Engineering degrees who are extremely excited about working with our students and displaying their projects such as a fully operational bridge and other structures that can withstand wind and pressure on top it.
