Successes

The TEAM UP program at Martin L. King F.A.M.E Academy for the month of December was wonderful! With the excitement of the Holidays near the TEAM UP students gave an outstanding performance in the schools Christmas program. The Student Advisory party was very successful in hosting there first community service act called (Project Clean Streets).The students learned and expressed their concerns of a safe and clean neighborhood and the importance of their contributions. Also the TEAM UP program was surprised and enlighten with a special visit from the Jacksonville Sheriff's Office (Officer Pearson). The students learn new exciting ways to call for help ie: Stranger Danger and Peer Pressure. The Academic program is continuing to work diligently with Principal Brown to ensure the success for all students.

Challenges

With the recent tragedy in our nation our new challenge is ensuring child safety. The entire TEAM UP staff will be working with Principal Brown in implementing the new safety procedures during the TEAM UP program.
