As required by Section 126.108(b), *Ordinance Code*, in the sale of the Equipment, the Contractor must comply with any and all applicable federal, state, and local laws, rules, regulations, and ordinances, as the same exist and may be amended from time to time. Such laws, rules, regulations, and ordinances shall include, but are not limited to, Chapter 119, Florida Statutes (the Florida Public Records Law), and Section 286.011, Florida Statutes (the Florida Sunshine Law), as they apply to the purchase contemplated in this Agreement. If any of the obligations of this Agreement are to be performed by a subcontractor, the provisions of this section shall be incorporated into and become a part of the subcontract.

ARTICLE 8: Indemnity:

8.01 The Contractor shall act as an independent contractor and not as an employee, agent, partner, joint venture, representative, or associate of the CITY in performing under this Agreement. Contractor shall be solely responsible for the means, methods, techniques, sequences, and procedures utilized in the full performance of this Agreement.

8.01.01 Contractor Indemnity: Contractor, including its employees, representatives, agents, consultants, subsidiaries, and subcontractors of any tier (the "Indemnifying Parties"), shall hold harmless, indemnify, and defend the CITY, including, without limitation, its officers, directors, members, representatives, affiliates, agents,

employees, successors and assigns (collectively the “Indemnified Parties”), against any and all claims, suits, demands, judgments, losses, costs, fines, penalties, damages, liabilities, and expenses of whatsoever kind or nature (including all costs for investigation and defense thereof, including, but not limited to, court costs, reasonable expert witness fees, and attorney’s fees) which may be incurred by, charged to, or recovered from any of the foregoing Indemnified Parties, arising (a) directly or indirectly out of any of Contractor’s operations, work or services performed in connection with this Agreement, including, but not limited to, any and all claims for damages as a result of the injury to or death of any person or persons, or damage to or destruction of any property which arises as a result of any negligent act, error, omission, recklessness, or intentionally wrongful conduct on the part of Contractor, its agents, affiliates, or assigns, regardless of where the damage, injury, or death occurred, or (b) out of the failure of Contractor to keep, observe, or perform any of its obligations under this Agreement or in any other document or instrument delivered by Contractor pursuant to this Agreement. This indemnification agreement is separate and apart from, and is in no way limited by, any insurance provided pursuant to this Agreement or otherwise. This section relating to indemnification shall survive the term of this Agreement and any holdover and/or contract extensions thereto, whether such Term expires naturally by the passage of time or is terminated earlier pursuant to the provisions of this Agreement.

8.01.02. Intellectual Property Indemnity: Contractor shall hold harmless, indemnify, and defend the Indemnified Parties against any and all claims, suits, demands, judgments, losses, costs, fines, penalties, damages, liabilities, and expenses (including all costs for investigation and defense thereof, including, but not limited to, court costs, reasonable expert witness fees, and attorney's fees), arising directly or indirectly out of any allegation that the Equipment or any part of the Equipment constitutes an infringement of any copyright, patent, trade secret, or any other intellectual property right and, whether such injury or damage is caused by negligence, errors, omissions, recklessness, or intentionally wrongful conduct, will pay all costs (including, but not limited to attorney's fees and court costs), damages, charges, and expenses charged to, incurred by, or recovered from the Indemnified Parties by reason thereof. This indemnification agreement is separate and apart from, and is in no way limited by, any insurance provided pursuant to this Agreement or otherwise. This section relating to indemnification shall survive the term of this Agreement, and any holdover and/or contract extensions thereto whether such Term expires naturally by the passage of time or is terminated earlier pursuant to the provisions of this Agreement. If in any suit or proceeding, the Equipment or any part of the Equipment is held to constitute an infringement and its use is permanently enjoined, Contractor shall immediately make every reasonable effort to secure for the CITY a license authorizing the continued use of the Equipment. If Contractor fails to secure such a license for the CITY, then Contractor shall

replace the Equipment with a non-infringing Equipment or modify such Equipment in a way satisfactory to the CITY at no additional cost to CITY so that the Equipment is non-infringing.

8.01.03. Violation of Laws: Contractor shall hold harmless, indemnify, and defend the Indemnified Parties against any and all claims, suits, demands, judgments, losses, costs, fines, penalties, damages, liabilities, and expenses (including all costs for investigation and defense thereof, including, but not limited to, court costs, reasonable expert witness fees, and attorney's fees) charged to, recovered from, or incurred by any of the Indemnified Parties arising from or based upon the violation of any federal, state, or municipal laws, statutes, resolutions, or regulations by Contractor or those under its control. This indemnification agreement is separate and apart from, and is in no way limited by, any insurance provided pursuant to this Agreement or otherwise. This section relating to indemnification shall survive the term of this Agreement and any holdover and/or contract extensions thereto, whether such term expires naturally by the passage of time or is terminated earlier pursuant to the provisions of this Agreement.

8.01.04. Breach of Representations, Warranties and Obligations: Contractor shall hold harmless, indemnify, and defend the Indemnified Parties against any and all claims, suits, demands, judgments, losses, costs, fines, penalties, damages, liabilities, and expenses (including all costs for investigation and defense thereof, including, but not

limited to, court costs, reasonable expert witness fees, and attorney's fees) which may be incurred by, charged to, recovered from, or incurred by any of the Indemnified Parties arising directly or indirectly out of (a) any breach of any representation or warranty made by Contractor in connection with this Agreement or in any certificate, document, writing, or other instrument delivered by Contractor pursuant to this Agreement or (b) any breach of any covenant or obligation of Contractor set forth in this Agreement or any other any certificate, document, writing, or other instrument delivered by Contractor pursuant to this Agreement. This indemnification agreement is separate and apart from, and is in no way limited by, any insurance provided pursuant to this Agreement or otherwise. This section relating to indemnification shall survive the term and any holdover and/or contract extensions thereto, whether such term expires naturally by the passage of time or is terminated earlier pursuant to the provisions of this Agreement.

8.01.05. Contractor shall be and remain liable in accordance with applicable law, and shall indemnify, hold harmless, and defend CITY for all damages to CITY caused by Contractor's breach of contract or its negligent performance of any services under this Agreement. The Contractor shall not be responsible, however, for any time delays in the Project caused by circumstances beyond Contractor's control.

The parties further agree that facsimile (“fax”) transmission of all signatures with originals to follow shall constitute and be evidence of an executed Agreement.
