Robin Smith, P.E.
Chief of Engineering and Construction Management
214 N. Hogan Street, 10th Floor
Jacksonville, FL 32202

Dear Robin,

First let me thank you for your outstanding work as City Engineer for the people of Jacksonville. Now more than ever, the work you do to maintain and build the Infrastructure of our city is crucial.

As your supervisor, and on behalf of Mayor Curry, this correspondence confirms that pursuant to our directive to you to do so, you have agreed to appear for a sworn interview before attorneys of Smith, Hulse & Busey in their capacity as counsel to the Special Investigative Committee (SIC).

This directive to you is issued pursuant to the instructions set forth in paragraph 2 of the "options for Special Investigation Committee to obtain testimony" dated April 17, 2020 by Assistant General Counsel Christopher Garrett, as well as applicable City Ordinance found in Sec. 602.1205 and 602.1206. As Mr. Garrett states in his memo, we agree that the Garrity Rights are applicable to you regarding this testimony.

Thank you for your cooperation with the committee on this matter, and, again, thank you for the exceptional service you provide this community.

Sincerely,

A handwritten signature in black ink, appearing to read "Briary Hughes".

Briary Hughes
Chief Administrative Officer
