

SOME OF THE
CHEMICALS IN
VAPE JUICE
CAN HARM
TEEN BODIES
& CAUSE
HEADACHES
AND BLOATING.

YEP, THIS COULD
GET UGLY.

Vaping may seem like a harmless, easily hidden secret but those toxic ingredients are working hard to disrupt your behavior and interfere with your regular life.

See for yourself at
VapingGetsUgly.com

BROUGHT TO YOU BY THE CITY OF JACKSONVILLE AND DAILY'S.

It's nicer here.®
