**Storm Resiliency & Infrastructure Development Review Committee
Noticed meeting CM Boyer and John Pappas, Public Works
Meeting Minutes for February 26, 2019
Location: City Hall, 117 W. Duval Street, Suite 400, Mayor's large Conference Room**

Meeting Convened: 2:00 PM

John Pappas opened the meeting. CM Boyer asked everyone to introduce themselves for the record.

For attendance purposes, the sign in sheet is attached to the minutes.

Purpose of meeting

John Pappas explained the purpose of the meeting was to receive information from CM Boyer regarding examples of adverse conditions in subdivisions that will be addressed in his presentation at the next Storm Resiliency & Infrastructure Development Review Committee, March 1, 2019. John Pappas plans to present how the City can address new development and how to minimize the impact to those residing upstream or downstream.

CM Boyer provided John Pappas photo copies of various issues regarding new and old development which included photos.

CM Boyer also provided four (4) documents to be distributed at the next committee meeting. The titles of the documents are:

- Sea-Level Rise and Law: Local Government Actions, Challenges, and implications
- Resiliency Challenges and Responses of Florida Local Governments
- Adapting to Rising Tides
- Sea-Level Rise Challenges, Planning & Responses

Meeting Adjourned: 2:49 PM

The written minutes for this meeting are only an overview of what was discussed, for any questions please contact Marlene Russell at marlener@coj.net.
